The Village has extended the Bid Opening and other dates associated with this Bid in order to provide future clarification concerning the Wastewater Pump Station Improvements Project. The Village will be issuing future Addendums in order to include a capacity increase, larger pumps, and associated control panel changes for the Main Wastewater Pump Station only. In addition, a portable emergency generator will be added to the project for each of the four (4) pump stations. The question dates have been extended to accommodate any additional questions there might be, after the change in project Addendums are issued. In addition, there will be another Site Visit scheduled, once everything has been released.

This Addendum to the proposal is issued to provide additional information and clarification to the original proposal and is hereby declared a part of the original proposal and documents. In case of conflict, this Addendum shall govern.

All other terms and conditions of this ITB remain unchanged.

This Addendum shall be considered an integral part of the ITB and Contract Documents and this Addendum must be signed and returned with your submittal **by 2:00 p.m. on March 31, 2022**, and acknowledged on Form 8.2, Designated in Section 8. Failure to comply may result in disqualification of your bid submittal.
