#### RECOMMENDATION

A RESOLUTION OF THE MAYOR AND COMMISSION OF NORTH BAY VILLAGE, FLORIDA, AMENDING THE BUDGET FOR FISCAL YEAR 2020-2021; PROVIDING FOR IMPLEMENTATION; AND PROVIDING FOR AN EFFECTIVE DATE.

#### **BACKGROUND AND ANALYSIS**

Village Staff is seeking a budget amendment to address the following:

#### **Organizational Changes**

#### **Commission Aide**

• In February 2021, the Village Commission approved the reclassification of the Legislative Aide position into a Commission Aide position, increasing the salary and job responsibilities for the next incumbent. This position was filled in May 2021, with an annual salary of \$50,000. The former Legislative Aide position was budgeted at \$39,784. In order to continue to fund the reclassified position through the end of the current fiscal year, we are requesting a budget amendment in the amount of \$4,345 from Office Supplies and Salary Savings.

# Reclassification of Communications and Special Events Coordinator to Director of Communications and Special Events

• In January 2021, our former Communications and Special Events Coordinator separated from employment with the Village. Through a rigorous recruitment process, we faced

significant challenges and were unable to recruit a suitable replacement at an annual salary of \$70,000. Therefore, in January 2021, the position was reclassified to the Director of Communications and Special Events with an annual salary of \$80,000. In order to continue to fund the reclassified position through the end of the current fiscal year, Village Staff is requesting a budget amendment in the amount of \$10,531 from Special Department Supplies and Salary Savings. Backup documentation is attached for reference.

### Police Department

• The staffing situation in Communications has become extremely dire, as we are unable to fully complete our communications mission. This situation has become even more critical with the loss of staffing due to various medical reasons. To that end, we a requesting a budget amendment to cover the addition of one (1) dispatcher position through the end of the fiscal year, with the understanding that this position will need to be budgeted for the next fiscal year. The total cost impact of this budget amendment request applicable to FY20/21 is \$14,888. Backup documentation is attached for reference.

# **Attorney Fees**

• We are requesting a budget amendment for attorney fees relating to labor and employment. Estimates are based based on \$250/hour for 30 hours of work). This is to provide services relating to the FOP and FOPA labor negotiations, which will be occurring over the next few months. In addition, the Village currently has three pending arbitrations during his FY's budget, but we are monitoring that matter and may have to adjust the budget accordingly. The other legal fees are being increased based on average cost per month. The total amount being requested in \$71,462 from Unreserved Fund Balance. Please refer to the backup documentation attached for more details.

# <u>Island Walk North Plaza - Budget Transfer</u>

Execution of the Island Walk North Plaza Design Revision work proposal requires a budget amendment to transfer \$69,600 from the Park Improvement Fund to Island Walk Design & Permitting Development Account. The cost will be reimbursed \$34,800 from a Florida Inland Navigation District Grants (\$100,000) awarded to the Village for design and permitting of the Island Walk projects.

# <u>Vogel Park Marine Facility - Budget Transfer</u>

The portions of cost for the work proposal will be reimbursed in the amount of \$23,000 from a Florida Recreation Development and Acquisition Program grant \$7,500 and Florida Inland Navigation District grant \$15,500.
