COMMUNITY ADVISORY

AUTO CRIMES

Over the past week, we have experienced a couple of motor vehicle related crimes and the North Bay Village Police Department would like to raise awareness of this recent activity. On Monday, August 1st, 2022, a motor vehicle was reported stolen from North Bay Island. The vehicle was recovered a couple of days later in the City of Margate, Florida, and two suspects have been apprehended in that case. On Wednesday, August 3rd, 2022, another vehicle was stolen from Harbor Island. Detectives are still actively searching for that vehicle—following investigative leads and expecting to successfully clear that case as well.

As part of the North Bay Village Police Department's continuing effort to provide a safe and secure community environment, we want to remind our residents that safety and security is a shared responsibility.

Here are some valuable tips for protecting your vehicle/property that should always be followed.

- Park your vehicle in a well-lit area
- Always keep your doors locked
- Avoid leaving valuables in plain view of others
- Remove your keys from the vehicle
- Install a tracking system
- Report any suspicious activity by calling the Police Department at (305)758-2626 or, in case of emergency 911

It is easy to become complacent when you live in a safe community. That said, it is important that everyone continues to remain vigilant to ensure that our public safety (police/community) partnership always remains strong and effective.
