# REVISED FORM 8.3, SCHEDULE OF BID PRICES 11/06/2023

## SCHEDULE OF BID PRICES

For all work associated and described in the bid documents, drawings, and specifications. The cost of incidental work described in these Contract Requirements, for which there are no specific Contract and or contract line items, shall be considered as part of the general cost of doing the work and shall be included in the prices for the various Contract Items. No additional payment will be made. All rates quoted shall include travel means, labor and all equipment and tools required. All disposal charges should be included in the contractor's unit prices. There shall be no charges to and from the Village work sites.

A materials list with unit price shall be recorded and reviewed with Owner and Engineer at each Project Progress Meeting. Acceptances of quantities/materials list used to date are to be documented in the meeting minutes.

If these documentation and approval procedures are not followed by the contractor, a later request for award of unit price costs may be denied by the Owner and Engineer.

The Village intends to award a contract to the lowest Responsive and Responsible bidder as a basis for award. Items include all profit and overhead, incidentals, all labor, supervision, testing, machinery, equipment, tools, materials, cleanup, and other means of construction to successfully complete the project in accordance with specifications and construction documents herein.
