

PUBLIC NOTICE

North Bay Village's Water Department is required as part of the 1996 Safe Water Drinking Water Act to provide information to the consumer regarding the quality of the water delivered. The Village purchases all its water from Miami-Dade Water & Sewer Department (WASD). The water is received through a 36" transmission line via J. F. Kennedy Causeway.

The 2023 Consumer Confidence Report (CCR) provides all the necessary information regarding the quality of your drinking water. This report is based on the monitoring test results for the period January 1 to December 31, 2023. Data obtained before January 1, 2023, and presented in this report are from the most recent testing done in accordance with the Federal and State of Florida laws, rules, and regulations.

If you have any questions concerning the CCR, please contact the Public Works Director at (305) 756-7171.

Please follow the link below to the North Bay Village website for the report.
