Roadway Milling, Resurfacing and Miscellaneous Right-of-Way Improvements

Addendum No. 1

VILLAGE RESPONSE TO PROPOSER QUESTIONS:

- Q.1. On the website the link to the plans for Harbor Island and North Bay are the same set of plans for Harbor Island. North Bay plans do not show up when you click the link.**
- A.1.** Plans for North Bay Island Roadway Improvements have been replaced on North Bay Village website.
- Q.2. Is there an engineer's cost estimate?**
- A.2.** Not at this time.
- Q.3. Who is responsible for notifying residents of the work schedule and by what method is required?**
- A.3.** North Bay Village will approve all notifications to be issued to residents for distribution by the Contractor via door knob hangers or other acceptable method. Notices will also be posted on the Village website and other communication outlets by Village staff.
- Q.4. Who is responsible for towing vehicles if one is in an area of scheduled work?**
- A.4.** North Bay Village Police Department.
- Q.5. Item 7 in the legend on the plans state "Existing Unknown Boxes (to be adjusted)", please advise where this is listed on the Bid Form?**
- A.5.** This work is included under 425-5-1 pay items.

Q.6. What does the Maintenance of Traffic (MOT) line item cover?

A.6. Maintenance of Traffic (MOT) line item on the bid form is to account for items that cannot be quantified under standard FDOT pay item structure (examples include project information signs, metal plates to cover trenches, replacement of elements that needed to be removed or were damaged to accommodate roadway construction, etc.).

Q.7. Does this project have any permit fees?

A.7. No.

All other documents, requirements, terms and conditions of the ITB remain the same. All proposers must acknowledge receipt of this Addendum No. 1 and submit a signed copy of this form with their proposal.
