

Electronic Plan Submission Instructional Procedures

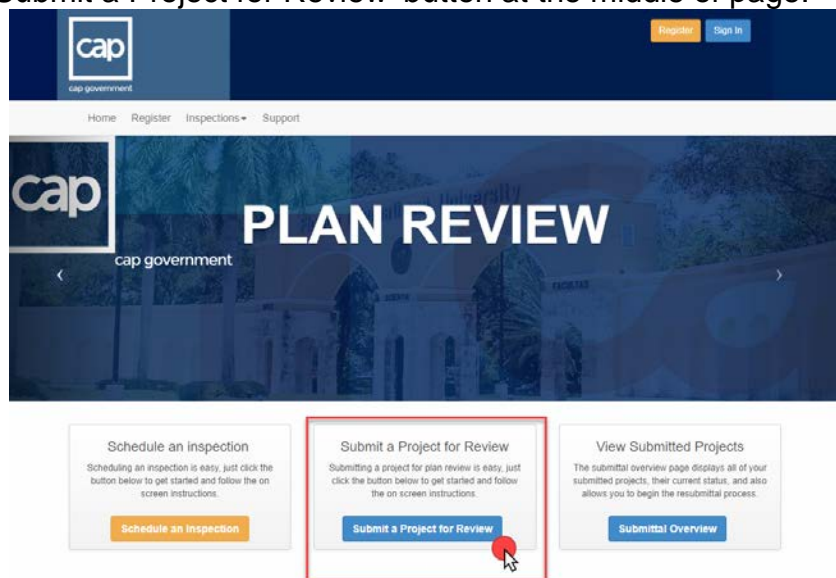

Updated: 08/26/2020

INSTRUCTIONS FOR ELECTRONIC PLAN SUBMISSION

1. Go to <https://cap.idtplans.com/secure/> and click on the **Register** icon as indicated by the red arrow using Microsoft Explorer or Microsoft Edge as your browser.

2. Enter required information for registration. Check “accept” and click ‘Submit’ button at bottom of page.
3. You should then get an e-mail with the subject line ‘CAP account activation’. Open up the e-mail and click on the provided link to activate your account.
4. Enter e-mail and password that was used for account registration as your sign in. Once you are logged in, you are now ready to submit your plans electronically.
5. Click on ‘Submit a Project for Review’ button at the middle of page.

6. Select ‘Miami-Dade’ from County pull-down menu at the middle of page.

7. Next select 'North Bay Village' from Jurisdiction pull-down menu right below County.
8. Then 'Building Code Review' from Application Category pull-down menu right below Jurisdiction should have been automatically selected.
9. 'Express Review' from Application Type pull-down menu right below Application Category should have been automatically selected.
10. Fill-in "Project or Subdivision Name" right below Application Type (address, including unit number, is required). For example: John Smith Residence, 1234 Kennedy Cswy #100.
11. Then click on 'Save and Continue' button, which will bring you to the next screen entitled 'Express Review Checklist'.

The screenshot displays the 'Plan Review Submittal' interface. At the top, the 'cap government' logo is on the left, and the user name 'Carmelo Pifano' is on the right. A navigation menu includes 'Home', 'Site', 'Plan Review', 'Inspections', 'Directory', and 'Support'. The main content area features a progress bar with three steps: 'Application' (indicated by a green circle), 'Upload Files', and 'Confirm and Submit'. Below the progress bar is the 'Project Overview' section, which contains the following form fields:

- County:** Miami-Dade
- Jurisdiction:** North Bay Village
- Application Category:** Building Code Review (with a 'Help me choose' link)
- Project or Subdivision Name:** ABC Condominium Association

At the bottom of the form, there are two buttons: 'Save and Continue' (highlighted with a red circle) and 'Help'.

12. Go through 'Express Review Checklist' and make sure that all boxes are checked off. Also, on the right side of each checklist item, there is an option to add comments. If comments are added, be sure to click 'Add comment' button to save and enter your comments. Then click 'Save and Continue' to move to the next screen.

The screenshot displays the 'Express Review Checklist' interface. At the top, the 'cap government' logo is visible on the left, and the user name 'Carmelo Pifano' is on the right. A navigation menu includes 'Home', 'Site', 'Plan Review', 'Inspections', 'Directory', and 'Support'. A search icon is also present. Below the navigation is a 'Plan Review Submittal' section with a progress bar showing three steps: 'Application' (active), 'Upload Files', and 'Confirm and Submit'. The 'Express Review Checklist' section contains the following items, all of which are checked:

- Check All (By checking each box, you acknowledge that you have read and understand all possible requirements.)
- All plan sheets must be submitted in proper landscape orientation. [Add a comment](#)
- Plan sheets shall be titled clearly. [Add a comment](#)
- Additional information, separate from the plan sheets, shall be submitted as separate pdf files (ex. Stormwater Management Plan, Owner Affidavits, Traffic Studies, Com Checks, etc.) [Add a comment](#)
- Plan sets should start with a cover sheet that contains an index of drawings. [Add a comment](#)
- In each review cycle, the **applicant shall respond to each issue** generated by staff that remains open. Please give specific responses to the open issues, not generic responses such as "see plan" or "corrected". [Add a comment](#)
- Any resubmittal requires the submission of the COMPLETE set of plans, not only the affected sheets AND also a cover letter that specifies the details of the revision. [Add a comment](#)

At the bottom of the page, there are two buttons: 'Save and Continue' and 'Help'. A red circle highlights the 'Save and Continue' button, with a mouse cursor pointing to it.

13. Next you will advance to the next screen 'Project Details'. Select '100% Construction Documents' from Phase Submittal pull-down menu starting at the middle of page. Type in building complex or sub-division name for 'Facility Name', which is the next line below Phase Submittal. For next line, 'Project Number', type in permit number provided by the building department processor. Select 'FBC2017' from Building Code pull-down menu, which is below Project Number. Then type in architect or engineer name for next line below Building Code. For next line below Architect or Engineer Name, select date on plans from the calendar pop-up for Plans Dated. Lastly for next line below Plans Dated, type in project description or work description in the text box provide *(be sure to be as detailed as possible to provide plan reviewers with full scope of work)*.

The screenshot shows the 'Project Details' form within the 'cap government' interface. At the top, there is a navigation bar with 'Home', 'Site', 'Plan Review', 'Inspections', 'Directory', and 'Support'. Below this is a progress bar for 'Plan Review Submittal' with three steps: 'Application' (completed), 'Upload Files', and 'Confirm and Submit'. The 'Project Details' section contains the following fields:

- Phase Submittal:** 100% Construction Documents
- Facility Name:** Type in building complex or sub-division name
- Project Number:** Leave blank - the building department will provide you with a permit application number
- Building Code:** FBC2017
- Architect or Engineer Name:** Type in architect or engineer name
- Plans Dated:** Select Date
- Project Description:** Type in project description or work description in the text box provide *(be sure to be as detail as possible to provide plan reviewers with full scope of work)*.

At the bottom of the form, there are two buttons: 'Save and Continue' and 'Help'.

14. If all information is correct under 'Confirm Your Application' check box at bottom of screen then click 'Confirm' button.

Project Overview #427006

Project Title: ABC Condominium Association
Application Type: Express Review
Workflow: Express Workflow

Jurisdiction: North Bay Village
State: FL
County: Miami-Dade

Project Details

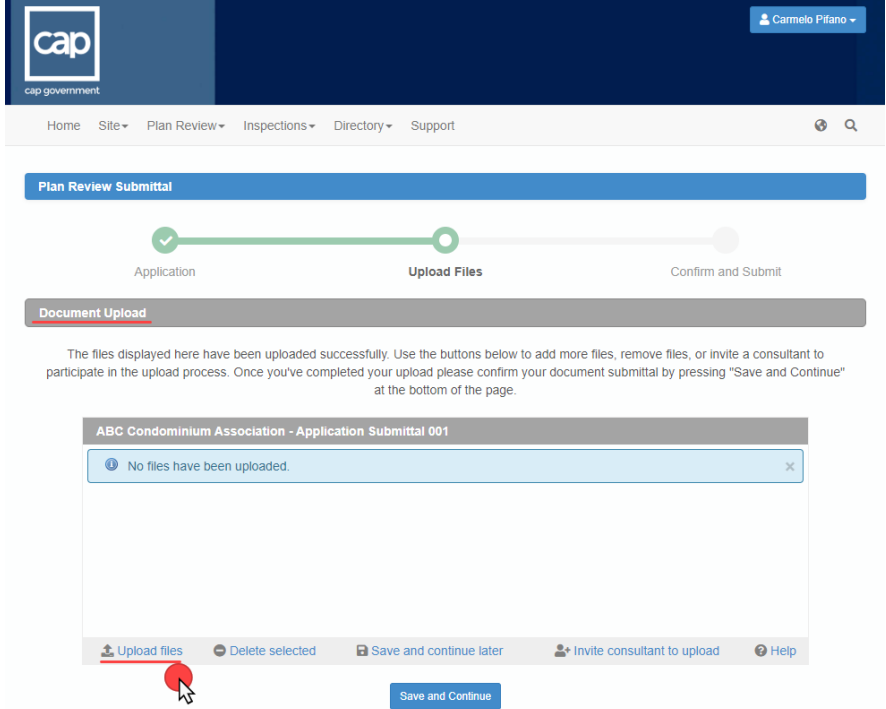

Phase Submittal: 100% Construction Documents
Project Number:
Architect or Engineer Name:
Project Description:

Facility Name:
Building Code: FBC2017
Plans Dated:

I, acting as agent for the owner/developer/organization hereby submit the above application for review. I understand that failure to address any item listed above shall result in the application not meeting the minimum submission requirements and said application shall be returned to me for revision and resubmission prior to review.

Confirm Edit

15. For the next screen 'Document Upload' click on 'Upload files' towards bottom of screen. It will then take you to a 'Select files' pop-up box where you can click on 'Add Files' to upload all submittal documents for review (**"APP PKG"** & **"PLAN PKG"**). After files are added, click on 'Start Upload' button on the same 'Select files' pop-up box and allow system to process upload. Keep in mind only PDF documents can be accepted. Afterwards, it will take back to 'Document Upload' screen where you can upload more files, delete files, save and continue later and invite consultant to upload files (*these options are on the bottom of screen*).

Submittal Guidelines

Following these guidelines as closely as possible will enable the review team to process your submittal as quickly as possible. Files that are not named appropriately are difficult to navigate and will result in extended review times.

Standardized Drawing File Naming Convention Example

001. C-1 - Cover Sheet
002. A-1 - Floor Plan
003. S-101 - Foundation Plan

your drawing files should match the index of drawings typically found on the cover sheet.

Be sure to include completed Building Permit Application, Proof of Ownership, Executed Contract, Condo/Homeowners Association Approval Letter (if applicable), any applicable affidavits, a completed contractor registration packet (if needed), and complete 100% construction documents to be reviewed. Any missing documents will result in rejection of electronic plan submission.
