## INFORMATION

# Crime Prevention / Safety Advisory

As part of the North Bay Village Police Department's continuing effort to provide a safe and secure environment, we remind our residents that safety and security is a shared responsibility.

Here are some safety tips that should always be followed.

- Report any suspicious activity by calling the Police Department at (305)758-2626 or, in case of emergency 911
- Police yourself, your family, your home and your property
- Always be aware and vigilant about your surroundings
- Keep your home well-lit and visible from the street
- Avoid leaving valuables in plain view of others
- Store yard tools and portable items in your garage
- Never provide personal information to anyone unknown/untrusted to you
- Shred any documents with personal information when discarding them
- Do not share your online passwords or PIN with anyone
- Walk along well-lit paths when traveling outside and keep a cellphone with you
- Never go to unfamiliar places by yourself, especially at night
- Securing your valuables. This is as simple as locking your car and home doors
- Use monitored alarm systems to protect your home and vehicle
- Extra security measures should be taken with bicycles, motorcycles and watercrafts
