All exhibits shall be clearly labeled so as to allow for efficient retrieval and display on the Zoom platform during the hearing.

11. In determining appeals, the Special Master shall determine whether:

- a. The person and, or, the property owner were properly served with the civil citation and notice of hearing.
- b. The citation adequately identifies facts constituting reasonable cause and the section or paragraph of the applicable law violated.

The order may affirm in whole or in part, or reverse, the charge of violation, affirm or modify the fine levied in the ticket, direct additional corrective action by the violator and, or, property owner, request corrective action by the Village, include the cost of repairs incurred, or that might be incurred by the Village, in correcting the violation, request the initiation of enforcement proceedings and take any other action consistent with the powers of the Special Master.

14. Any person who might seek judicial review of the order of the Special Master must arrange for a court reporter to transcribe the hearing.
