Agenda Item 11A

LAW ENFORCEMENT MUTUAL AID AGREEMENT FOR VOLUNTARY COOPERATION AND OPERATIONAL ASSISTANCE

WHEREAS, it is the responsibility of the governments of North Bay Village, Florida, and the subscribing law enforcement agencies to ensure the public safety of their citizens by providing adequate levels of police services to address any foreseeable routine or emergency situation; and

WHEREAS, there is an existing and continuing possibility of the occurrence of law enforcement problems and other natural and man-made conditions which are, or are likely to be, beyond the control of the services, personnel, equipment, or facilities of the North Bay Village Police Department or the subscribing law enforcement agencies; and

WHEREAS, in order to ensure that preparation of these law enforcement agencies will be adequate to address any and all of these conditions, to protect the public peace and safety, and to preserve the lives and property of the people of North Bay Village and the participating Miami-Dade County municipalities; and

WHEREAS, North Bay Village and the subscribing law enforcement agencies have the authority under Section 23.12, Florida Statutes, et seq., the Florida Mutual Aid Act, to enter into a Mutual Aid Agreement;

NOW, THEREFORE, BE IT KNOWN that North Bay Village, a political subdivision of the State of Florida, and the undersigned representatives, in consideration for mutual promises to render valuable aid in times of necessity, do hereby agree to fully and faithfully abide by and be bound by the following terms and conditions:

1. Short title: Mutual Aid Agreement.

Agenda Item 11A

2. Description: Since this Mutual Aid Agreement provides for the requesting and rendering of assistance for both routine and law enforcement intensive situations, this Mutual Aid Agreement combines the elements of both a voluntary cooperation agreement and a requested operational assistance agreement, as described in Chapter 23, Florida Statutes.
3. Definitions:
 - a. Chief Executive Official: Either the Mayor of North Bay Village, or the chief executive official of the participating political subdivision, who has the authority to contractually bind the agency and has executed this Agreement, upon the approval of the governing body of each governmental entity. Subsequent to the execution by the executive officials, this Agreement shall be filed with the Clerk of the Court for Miami-Dade County, and the clerks of the respective political subdivisions. The Agreement may be amended at any time by filing subsequent Amendment(s), which will be subject to the same approval process, and shall thereafter become a part of this Agreement.
 - b. Agency Head: Either the Director of the North Bay Village Police Department, or the Director's designees; and the Chief of Police of the participating law enforcement agencies, or the Chiefs designees.
 - c. Participating Law Enforcement Agency: The police department of any municipality in Miami-Dade County, Florida, that has approved and executed this Agreement.
 - d. Certified Law Enforcement Employee: Any law enforcement employee certified as provided in Chapter 943, Florida Statutes.

Agenda Item 11A

SECTION I. TERMS AND PROCEDURES

1. Operations:

a. In the event that a party to this Agreement is in need of assistance as specified herein, an authorized representative of the police department requiring assistance shall notify the agency from whom such assistance is requested. The authorized agency representative whose assistance is sought shall evaluate the situation and the available resources, and will respond in a manner deemed appropriate.

b. Each party to this Agreement agrees to furnish necessary manpower, equipment, facilities, and other resources and to render services to the other party as required to assist the requesting party in addressing the situation which caused the request: provided, however, that no party shall be required to deplete unreasonably its own manpower, equipment, facilities, and other resources and services in rendering such assistance.

c. The agency heads of the participating law enforcement agencies, or their designees, shall establish procedures for giving control of the mission definition to the requesting agency, and for giving tactical control over accomplishing any such assigned mission and supervisory control over all personnel or equipment provided pursuant to this Agreement to the providing agency.

2. Powers, Privileges, Immunities and Costs:

a. All employees of the participating municipal police department, including certified law enforcement employees as defined in Chapter 943, Florida Statutes, during such time that said employees are actually providing aid outside of the jurisdictional limits of the employing municipality pursuant to a request for aid made in accordance with this Agreement, shall, pursuant to the

Agenda Item 11A

provisions of Chapter 23, Florida Statutes, have the same powers, duties, rights, privileges, and immunities as if they were performing their duties in the political subdivision in which they are normally employed.

b. The political subdivision having financial responsibility for the law enforcement agency providing services, personnel, equipment, or facilities pursuant to the provisions of this Agreement shall bear any loss or damage to same and shall pay any and all expenses incurred in the maintenance and operation of same.

c. The political subdivision having financial responsibility for the law enforcement agency providing aid pursuant to this Agreement shall compensate all of its employees rendering aid pursuant to the Agreement during the time of the rendering of such aid and shall defray the actual travel and maintenance expenses of such employees while they are rendering such aid. Such compensation shall include any amounts paid or due for compensation due to personal injury or death while such employees are engaged in rendering such aid. Such compensation shall also include all benefits normally due such employees.

d. All exemption from ordinances and rules, and all pension, insurance, relief, disability, workers' compensation, salary, death, and other benefits which apply to the activity of such officers, agents, or employees of any such agency when performing their respective functions within the territorial limits of their respective agencies shall apply to them to the same degree, manner, and extent while engaged in the performance of their functions and duties extra territorially under the provisions of this Mutual Aid Agreement. The provisions of this Agreement shall apply with equal effect to paid and auxiliary employees.

Agenda Item 11A

3. **Indemnification:** The political subdivision having financial responsibility for the law enforcement agency providing aid pursuant to this Agreement agrees to hold harmless, defend, and indemnify the requesting law enforcement agency and its political subdivision in any suit, action, or claim for damages resulting from any and all acts or conduct of employees of said providing agency while providing aid pursuant to this Agreement, subject to Chapter 768, Florida Statutes, where applicable.
4. **Forfeitures:** It is recognized that during the course of the operation of this Agreement, property subject to forfeiture under the Florida Contraband Forfeiture Act, Florida Statutes, may be seized. The property shall be seized, forfeited, and equitably distributed among the participating agencies in proportion to the amount of investigation and participation performed by each agency, less the costs associated with the forfeiture action. Any participating agencies must request sharing, in writing, before the entry of a Final Order of Forfeiture, or they will be barred from claiming any portion of the property forfeited. The agency pursuing the forfeiture action shall have the exclusive right to control and the responsibility to maintain the property, including, but not limited to the complete discretion to bring the action, or to dismiss the action, or settlement. This shall occur pursuant to the provisions of the Florida Contraband Forfeiture Act.
5. **Conflicts:** Any conflicts between this Agreement and the Florida Mutual Aid Act will be controlled by the provisions of the latter, whenever conditions exist that are within the definitions stated in Chapter 23, Florida Statutes.

Agenda Item 11A

SECTION II. COMMAND AND SUPERVISORY RESPONSIBILITY

1. Command: The personnel and equipment that are assigned by the assisting entity shall be under the immediate command and direct supervision of a supervising officer designated by the assisting Director or Chief of Police, or his/her designee.

2. Conflicts: Whenever an officer is rendering assistance pursuant to this agreement, the officer shall abide by and be subject to the rules and regulations, personnel policies, general orders, and standard operating procedures of his or her own employer. If any such rule, regulation, personnel policy, general order or standard operating procedure is contradicted, contravened or otherwise in conflict with a direct order of a superior officer of the requesting agency, then such rule, regulation, policy, general order or procedure of the assisting agency shall control, and shall supersede the direct order.

3. Complaints: Whenever there is cause to believe that a complaint has arisen as a result of a cooperative effort as it may pertain to this agreement, the Director or Chief of Police, or his/her designee of the agency employing the officer who is the subject of the complaint shall be responsible for the investigation of the complaint. The Director or Chief of Police or designee of the requesting agency should ascertain at a minimum:

- a. The identity of the complainant;
- b. An address where the complaining party can be contacted;
- c. The specific allegation; and
- d. The identity of the employees accused without regard as to agency affiliation.

If it is determined during the investigation of a complaint that the accused is an employee of the assisting agency, the above information, with all pertinent documentation gathered during the receipt and processing of the complaint, shall be forwarded without delay to the agency for administrative review. The requesting agency may conduct a review of the complaint to determine if any factual basis for

Agenda Item 11A

the complaint exists and/or whether any of the employees of the requesting agency violated any of their agency's policies or procedures.

SECTION III. PROVISIONS FOR VOLUNTARY AND OPERATIONAL ASSISTANCE

A deputy sheriff or police officer of either of the participating law enforcement agencies shall be considered to be operating under the provisions of the mutual aid agreement when: participating in law enforcement activities that are preplanned and approved by each respective agency head, or appropriately dispatched in response to a request for assistance from the other law enforcement agency.

In compliance with and under the authority of the Mutual Aid Agreement heretofore entered into by the participating municipalities and North Bay Village, Florida, it is hereby declared that the following list comprises the nature of assistance, and the circumstances and conditions under which mutual aid may be requested and rendered regarding police operations pursuant to the agreement. The list includes, but is not necessarily limited to, dealing with the following:

Voluntary:

1. Joint multi-jurisdictional criminal investigations.
2. Major events; e.g., sporting events, concerts, parades, fairs, festivals and conventions.
3. Joint training in areas of mutual need.
4. Off-duty special events.
5. Joint multi-jurisdictional marine interdiction operations.
6. Security and escort duties for dignitaries.

Operational:

7. Hostage and barricaded subject situations, and aircraft piracy.

Agenda Item 11A

8. Control of major crime scenes, area searches, perimeter control, back- ups to emergency and in-progress calls, pursuits, and missing person calls.
9. Enemy attack.
10. Transportation of evidence requiring security.
11. Civil affray or disobedience, disturbances, riots, large protest demonstrations, controversial trials, political conventions, labor disputes, and strikes.
12. Any natural, technological or manmade disaster.
13. Emergency situations in which one agency cannot perform its functional objective.
14. Incidents requiring utilization of specialized units; e.g., underwater recovery, aircraft, canine, motorcycle, bicycle, mounted, Special Response Teams, bomb, crime scene, marine patrol, and police information.
15. Incidents which require rescue operations and crowd and traffic control measures including, but not limited to, large-scale evacuations, aircraft and shipping disasters, fires, explosions, gas line leaks, radiological incidents, train wrecks and derailments, chemical or hazardous waste spills, and electrical power failures.
16. Terrorist activities including, but not limited to, acts of sabotage.
17. Escapes from or disturbances within detention facilities.

SECTION IV. PROCEDURES FOR REQUESTING MUTUAL AID

The following procedures will apply in mutual aid operations:

1. Mutual aid requested or rendered will be approved by the Director/Chief of Police or designee.

Agenda Item 11A

2. Specific reporting instructions for personnel rendering mutual aid should be included in the request for mutual aid. In the absence of such instructions, personnel will report to the ranking on-duty supervisor on the scene.
3. Communications instructions will be included in each request for mutual aid and the North Bay Village Police Department Communications Bureau will maintain radio contact with the involved agencies until the mutual aid situation has ended.
4. Incidents requiring mass processing of arrestees, transporting prisoners and operating temporary detention facilities will be handled per established procedures.

SECTION V. CONCURRENT JURISDICTION

It is to the mutual benefit of the participating municipal agencies and the North Bay Village Police Department, through voluntary cooperation, to exercise concurrent jurisdiction over the areas described in subparagraphs a. and b. below, in that officers, while in another jurisdiction, are often present at events where immediate action is necessary, or are able to expeditiously conclude an investigation by identifying and arresting an offender.

- a. Concurrent law enforcement jurisdiction in and throughout the territorial limits of the participating municipalities and North Bay Village, Florida, for arrests, made pursuant to the laws of arrest, for felonies and misdemeanors, including arrestable traffic offenses, which spontaneously take place in the presence of the arresting officer, at such times as the arresting officer is traveling from place to place on official business outside of his or her jurisdiction, for example, to or from court, or at any time when the officer is within the

Agenda Item 11A

territorial limits of his or her jurisdiction, and provided that, in the context of this Mutual Aid Agreement, "official business outside of his or her jurisdiction" shall not include routine patrol activities. This mutual aid agreement excludes those areas within the territorial limits of the municipalities not participating in the Mutual Aid Agreement, and areas in which the North Bay Village Police Department does not have law enforcement jurisdiction.

- b. Concurrent law enforcement jurisdiction in and throughout the territorial limits of participating municipalities and North Bay Village, Florida, for arrests, made pursuant to the laws of arrest, of persons identified as a result of investigations of any offense constituting a felony or any act of Domestic Violence as defined in Section 741.28, Florida Statutes, when such offense occurred in the municipality employing the arresting officer, should the arresting officer be a municipal law enforcement officer. However, absent a search warrant, concurrent jurisdiction under this subparagraph does not include authority to make nonconsensual or forcible entries into private dwellings, residences, living spaces or business spaces which are not open to the public, i.e., authority derived pursuant to this subparagraph may be exercised only when in places open to the public or private places into which the arresting officer has entered with the consent of an occupant entitled to give consent. When operating under mutual aid, municipal law enforcement officers may execute search warrants for offenses which occurred in the municipality. Municipal officers may execute the search warrant, impound all property, make arrests, and file the Return and Inventory. This concurrent jurisdiction excludes those areas within territorial municipalities not participating in

Agenda Item 11A

the Mutual Aid Agreement, and areas in which the North Bay Village Police Department does not have law enforcement jurisdiction.

Prior to any officer taking enforcement action pursuant to either paragraph (a) or (b) above, the officer shall notify the designated officer of the jurisdiction in which the action shall will be taken, unless exigent circumstances prevent such prior notification, in which case notification shall be made as soon after the action as practicable. Furthermore, all arrests made pursuant to subparagraph (a) above shall be processed and coded pursuant to directions of the Clerk of the Court, in such manner as to ensure that any revenues or surcharges generated as a result of said arrests shall be directed to the jurisdiction in which the arrest was made.

1. General Requirements:

- a. Officers shall not utilize unmarked vehicles to make traffic stops or to engage in vehicle pursuits.
- b. Concurrent law enforcement jurisdiction pursuant to this Mutual Aid Agreement does include preplanned operations, undercover investigations, stings, or sweeps.
- c. Officers shall not conduct routine patrol activities outside of their jurisdiction.
- d. Reports of any action taken pursuant to this Mutual Aid Agreement shall be faxed to the agency head of the agency, within whose jurisdiction the action was taken, as soon as possible after the action has taken place.
- e. Any conflicts regarding jurisdiction will be resolved by allowing the agency within whose jurisdiction the action took place to take custody of any arrestees and/or crime scenes.

Agenda Item 11A

- f. All concurrent jurisdiction stationary surveillance activities shall require notification of the agency within whose jurisdiction the surveillance takes place. The notification shall include the general location of the surveillance and a description of the vehicles involved. Mobile surveillance shall not require notification unless concurrent jurisdiction enforcement activities take place.

SECTION VI. EFFECTIVE DATE

This Agreement shall be in effect from date of signing, through and including, September 1, 2021. Under no circumstances may this Agreement be renewed, amended, or extended except in writing.

SECTION VII. CANCELLATION

This Agreement may be cancelled by either party upon sixty (60) days written notice to the other party. Cancellation will be at the discretion of the chief executive officers of the parties hereto.

SUBJECT: Agreement with Florida Inland Navigation District for Baywalk Plaza Phase IIIA

RECOMMENDATION:

It is recommended that the Village Commission approve the attached Resolution authorizing the Interim Village Manager to execute the agreement with Florida Inland Navigation District for the construction of Baywalk Plaza Phase IIIA.

BACKGROUND:

Funding Source: Florida Inland Navigation District

Program Title: Baywalk Plaza South Phase IIIA

Grant Request: \$180,000

Match Required: 100% of grant request

The Village was awarded \$200,000 through the Florida Inland Navigation District (FIND) Waterway Assistance Program during the Fiscal Year 2015 for the construction of the "Baywalk Plaza Area Phase IIA-South Side", which consist of a walk out area that overlooks Biscayne Bay. The Village general contractor began construction on the Baywalk on May 15, 2017. During the site preparation period, pipes and underlying structures associated with the John F. Kennedy Causeway Bridge were discovered. The Village requested additional funds to complete the construction. The Florida Inland Navigation District has approved the request and requires the Village's executed agreement.

BUDGETARY IMPACT:

\$180,000 matching funds available in the 2010 Capital Improvement Bond Program proceeds.

PERSONNEL IMPACT:

None.

FLORIDA INLAND NAVIGATION DISTRICT PROJECT AGREEMENT

PROJECT NO. DA-NBV-18-235

This PROJECT AGREEMENT ("AGREEMENT") made and entered into this _____ day of _____, 20____ by and between the Florida Inland Navigation District (hereinafter the "DISTRICT"), and the North Bay Village, (hereinafter the "PROJECT SPONSOR").

In consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **PROJECT** - Subject to the provisions of this AGREEMENT and Rule 66B-2 of the Florida Administrative Code (a current copy of which is attached as Exhibit "B"), the DISTRICT has approved assistance funding to the PROJECT SPONSOR in furtherance of an approved project ("PROJECT") consisting of the Baywalk Plaza South Phase IIIA. Said PROJECT is more specifically described in the PROJECT SPONSOR'S Waterways Assistance Application, which is on file at the DISTRICT's headquarters.

Any modifications to the PROJECT'S scope of work shall require written advance notice and justification from the PROJECT SPONSOR and the prior written approval of the DISTRICT.

2. **TERM** - The PROJECT SPONSOR shall not commence work on the PROJECT prior to the execution of this AGREEMENT unless specifically authorized by the DISTRICT Board and **shall complete the PROJECT and submit all required payment reimbursement information on or before September 30, 2020 ("PROJECT PERIOD")**, unless the PROJECT PERIOD has been extended with the prior written approval of the DISTRICT. Any request for an extension of the PROJECT PERIOD shall require submittal by the PROJECT SPONSOR of a request for extension to the DISTRICT no later than 60 days prior to the original expiration date of the PROJECT PERIOD. This request will then be considered by the DISTRICT Board, whose decision shall be final. In no event other than a declared state of emergency that affects the project completion shall the PROJECT be extended beyond September 30, 2021. The PROJECT SPONSOR acknowledges this is the only provision to carry over the DISTRICT assistance funding under this AGREEMENT beyond September 30, 2020, and that any extension of funding beyond this date shall be at the sole discretion of the DISTRICT.

Agenda Item 11B

3. **ASSISTANCE AMOUNT** - The DISTRICT shall contribute (“ASSISTANCE AMOUNT”) no more than fifty percent (50%) (“MATCHING PERCENTAGE”) of the PROJECT SPONSOR'S eligible out-of-pocket costs for completion of this PROJECT (“PROJECT AMOUNT”). Payment of funds by the DISTRICT to the PROJECT SPONSOR (the “ASSISTANCE AMOUNT”) will be on a reimbursement basis only, and only for those authorized out of pocket costs as shown in Exhibit A, Project Cost Estimate (“PROJECT COSTS”) and meeting the requirements of Section 5 below and shall not, in any event, exceed \$180,000.00.

Any modifications to the PROJECT’S Cost Estimate (Exhibit A) shall require written advance notice and justification from the PROJECT SPONSOR and the prior written approval of the DISTRICT.

4. **MATCHING FUNDS** - The PROJECT SPONSOR warrants and represents that it has the PROJECT SPONSOR Match Amount (the PROJECT AMOUNT less the ASSISTANCE AMOUNT) available for the completion of the PROJECT and shall, prior to the execution of this AGREEMENT, have provided the DISTRICT with suitable evidence of the availability of such funds using the DISTRICT’s Form #95-01 (Exhibit C, Matching Funds Certification) and, upon request, providing the DISTRICT with access to applicable books and records, financial statements, and bank statements.

5. **PROJECT COSTS** - To be eligible for reimbursement under this AGREEMENT, PROJECT COSTS must be necessary and reasonable for the effective and efficient accomplishment of the PROJECT and must be directly allocable thereto. PROJECT COSTS are generally described in Exhibit B, Chapter 66B-2, F.A.C.. PROJECT COSTS must be incurred, and work performed within the PROJECT PERIOD, with the exception of pre-AGREEMENT costs, if any, consistent with Section 6 below, which are also eligible for reimbursement by the DISTRICT.

If the PROJECT SPONSOR receives additional funding for the PROJECT COSTS from another source that was not identified in the original application and that changes the AGREEMENT MATCHING PERCENTAGE, the PROJECT SPONSOR shall proportionately reimburse the DISTRICT’s program funds equal to the MATCHING PERCENTAGE in this AGREEMENT. The PROJECT SPONSOR shall promptly notify the DISTRICT of any project payments it receives from a source other than the DISTRICT.

6. **PRE-AGREEMENT COSTS** - The DISTRICT and the PROJECT SPONSOR fully understand and agree that there shall be no reimbursement of funds by the DISTRICT for any

Agenda Item 11B

obligation or expenditure made prior to the execution of this AGREEMENT unless previously delineated in Exhibit A, consistent with Exhibit B, and previously approved by the DISTRICT Board during the grant review process.

7. **REIMBURSEMENT PROCEDURES** - PROJECT COSTS shall be reported to the DISTRICT and summarized on the Payment Reimbursement Request Form (Form #90-14) attached as Exhibit D. Supporting documentation including bills and canceled payment vouchers for expenditures shall be provided to the DISTRICT by the PROJECT SPONSOR or LIAISON AGENT with any payment request. All records in support of the PROJECT COSTS included in payment requests shall be subject to review and approval by the DISTRICT or by an auditor selected by the DISTRICT. Audit expenses shall be borne by the PROJECT SPONSOR.

Project funds may be released in installments, at the discretion of the DISTRICT, upon submittal of a payment request by the PROJECT SPONSOR or LIAISON AGENT. The DISTRICT shall retain ten percent (10%) of each installment payment until the completion of the PROJECT.

The following costs, if authorized in the attached Exhibit B, shall be reimbursed only upon completion of the PROJECT to the reasonable satisfaction of the DISTRICT and in accordance with Exhibit B: personnel, equipment, project management, administration, inspection, and design, permitting, planning, engineering, and/or surveying costs. Assuming the PROJECT SPONSOR has otherwise fully complied with the requirements of this AGREEMENT, reimbursement for a PROJECT approved as Phase I project will be made only upon commencement of construction of the PROJECT for which the Phase I planning, designing, engineering and/or permitting were directed, which may or may not involve further DISTRICT funding. Procedures set forth below with respect to reimbursement by the DISTRICT are subject to this requirement of commencement of construction.

The DISTRICT shall have the right to withhold any payment hereunder, either in whole or part, for non-compliance with the terms of this AGREEMENT.

8. **FINAL REIMBURSEMENT** - The PROJECT SPONSOR, upon completion of the PROJECT, shall submit to the DISTRICT a request for final reimbursement of the ASSISTANCE AMOUNT less any prior installment payments. The payment amounts previously retained by the DISTRICT shall be paid upon (1) receipt of the Final Audit report of expenses incurred on the PROJECT by the DISTRICT, (2) full completion of the PROJECT to the reasonable satisfaction of the DISTRICT, (3) submission of Project Completion Certification Form No. 90-13 (Exhibit E), (4) submission of a photograph of the PROJECT showing the sign required by Section 18, and (5) a

Agenda Item 11B

Final Project Report as described in Exhibit G, Assistance Project Schedule. As part of the documentation accompanying the request for final reimbursement, PROJECT SPONSOR shall provide proof of payment of all contractors, material suppliers, engineers, architects and surveyors with whom PROJECT SPONSOR has directly contracted (each a "DIRECT PROVIDER") to provide services or materials for the PROJECT. The final reimbursement amount shall be adjusted as necessary such that neither the total ASSISTANCE AMOUNT nor the MATCHING PERCENTAGE is exceeded. Unless otherwise determined by the DISTRICT, the final reimbursement check shall be presented by a DISTRICT representative to the PROJECT SPONSOR during a public commission meeting or public dedication ceremony for the PROJECT.

9. **RECORDS RETENTION** - The PROJECT SPONSOR shall retain all records supporting the PROJECT COSTS for three (3) years after the end of the fiscal year in which the Final Payment is released by the DISTRICT, except that such records shall be retained by the PROJECT SPONSOR until final resolution of matters resulting from any litigation, claim, or special audit that starts prior to the expiration of the three-year retention period.

10. **DEFAULT AND REMEDIES** – In the event of a breach of any of the terms of this AGREEMENT by the PROJECT SPONSOR, the DISTRICT shall provide written notice to the PROJECT SPONSOR, which shall have sixty (60) days in which to cure the breach. If the PROJECT SPONSOR fails to cure the breach within the cure period, the DISTRICT shall have the right, but not the obligation, to demand that the PROJECT SPONSOR immediately refund the ASSISTANCE AMOUNT to the extent paid. PROJECT SPONSOR shall refund to the DISTRICT the full amount of the ASSISTANCE AMOUNT paid to PROJECT SPONSOR, whereupon this AGREEMENT, and all further rights thereunder, shall be terminated. If the DISTRICT does not demand reimbursement as aforesaid, the DISTRICT may exercise any and all other remedies available at law or in equity. With respect to the PROJECT SPONSOR's obligations under Sections 15, 17, and 20, PROJECT SPONSOR acknowledges that breach by the PROJECT SPONSOR of one or more of its obligations under said sections might cause the DISTRICT to suffer irreparable harm, namely harm for which damages would be an inadequate remedy. PROJECT SPONSOR further acknowledges that the DISTRICT might suffer irreparable harm due to delay if, as a condition to obtaining an injunction, restraining order, or other equitable remedy with respect to such a breach, the DISTRICT were required to demonstrate that it would suffer irreparable harm. The parties therefore intend that if the PROJECT SPONSOR breaches one or more of its obligations under Sections 15, 17, or 20, the DISTRICT, in addition to such other

Agenda Item 11B

remedies which may be available, shall have the right to seek specific performance and injunctive relief, and for purposes of determining whether to grant an equitable remedy any court will assume that the breach would cause the DISTRICT irreparable harm. The provisions of this section shall survive completion of the PROJECT.

11. **DISTRICT PROJECT MANAGER** - The Executive Director, or his designee, is hereby designated as the DISTRICT's Project Manager for the purpose of this AGREEMENT and shall be responsible for monitoring performance of its terms and conditions and for approving all reimbursement requests prior to payment.

12. **PROJECT SPONSOR'S LIAISON AGENT** - The PROJECT SPONSOR shall appoint a LIAISON AGENT, whose name and title shall be submitted to the DISTRICT upon execution of this AGREEMENT, to act on behalf of the PROJECT SPONSOR relative to the provisions of this AGREEMENT.

13. **STATUS REPORTS** - The PROJECT SPONSOR or LIAISON AGENT shall submit to the DISTRICT project status reports during the PROJECT term. These Quarterly Reports are to be on Form #95-02 (Exhibit F, Assistance Program Project Quarterly Status Report). Project design drawings, engineering drawings, and a copy of the Project bid award construction item cost list will be submitted as available. Photographs shall be submitted when appropriate to reflect the work accomplished. NON-COMPLIANCE by the PROJECT SPONSOR with the reporting schedule in Exhibit G, Assistance Project Schedule, may result in revocation of this AGREEMENT.

14. **LAWS** - The PROJECT SPONSOR agrees to obtain and to abide by all federal, state, and local permits and proprietary authorizations, and all applicable laws and regulations in the development of the PROJECT. The PROJECT SPONSOR agrees that all PROJECT facilities shall be designed and constructed in compliance with applicable state and federal statutory requirements for accessibility by handicapped persons, as well as all other federal, state and local laws, rules, and requirements.

15. **NON-DISCRIMINATION** - The PROJECT SPONSOR agrees that when completed, the PROJECT shall be readily accessible, on a non-exclusive basis, to the general public without regard to age, sex, race, physical handicap, or other condition, and without regard to residency of the user in another political subdivision.

16. **PARKING FACILITIES** - Adequate parking shall be made available by the PROJECT SPONSOR to accommodate vehicles for the number of persons for which the PROJECT is being developed.

Agenda Item 11B

17. **SITE DEDICATION** - The PROJECT SPONSOR also agrees that the PROJECT site shall be dedicated for the public use for a minimum period of twenty-five (25) years from the completion of the PROJECT, such dedication to be in the form of a deed, lease, management AGREEMENT or other legally binding document. Any change in such dedication shall require the prior approval of the DISTRICT. The PROJECT SPONSOR shall record evidence of such dedication within the Public Records of the County in which the PROJECT is located.

18. **ACKNOWLEDGMENT** – For construction projects, the PROJECT SPONSOR shall erect a permanent sign, approved by the DISTRICT, in a prominent location such as the PROJECT entrance of the completed PROJECT, which shall indicate that the DISTRICT contributed funds for the PROJECT. The wording of the sign required by this section shall be approved by the DISTRICT's staff before construction and installation of said sign. This sign shall contain the DISTRICT logo (Exhibit H) unless otherwise stipulated by the DISTRICT. In the event that the PROJECT SPONSOR erects a temporary construction sign, it shall also indicate the DISTRICT's participation. For all other types of projects, the PROJECT SPONSOR shall acknowledge the DISTRICT where feasible, in concurrence with the DISTRICT staff's recommendations.

19. **PROJECT MAINTENANCE** - When and as applicable, the PROJECT SPONSOR agrees to operate, maintain, and manage the PROJECT for the life of the PROJECT improvements and will pay all expenses required for such purposes. The PROJECT improvements shall be maintained in accordance with the standards of maintenance for other local facilities owned and operated by the PROJECT SPONSOR, and in accordance with applicable health standards. PROJECT facilities and improvements shall be kept reasonably safe and in reasonable repair to prevent undue deterioration and to encourage public use. The PROJECT SPONSOR warrants and represents that it has full legal authority and financial ability to operate and maintain said PROJECT facilities and improvements.

20. **FEES** – Any fees charged for this PROJECT shall be reasonable and the same for the general public of all member counties. The PROJECT SPONSOR must demonstrate that a minimum of fifty percent (50%) of the PROJECT fees will be utilized for project maintenance and improvements throughout the anticipated 25-year life of a development project or the design life of other project types, as applicable.

21. **SOVEREIGN IMMUNITY** - Each party hereto agrees that it shall be solely responsible for the wrongful acts of its employees, contractors, and agents. However, nothing

Agenda Item 11B

contained herein shall constitute a waiver by either party of its sovereign immunity under Section 768.28, Florida Statutes. The PROJECT SPONSOR acknowledges that the DISTRICT, its employees, commissioners, and agents are solely providing funding assistance for the PROJECT and are not involved in the design, construction, operation or maintenance of the PROJECT.

22. **INSPECTIONS** - The DISTRICT reserves the right, upon reasonable request, to inspect said PROJECT and any and all records related thereto at any time.

23. **RIGHTS AND DUTIES** - The rights and duties arising under this AGREEMENT shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns, and shall, unless the context clearly requires otherwise, survive completion of the PROJECT. The PROJECT SPONSOR may not assign this AGREEMENT nor any interest hereunder without the express prior written consent of the DISTRICT.

24. **WAIVERS** - Waiver of a breach of any provisions of this AGREEMENT shall not be deemed a waiver of any other breach of the same or different provision.

25. **NOTICE** - Any notice required to be given pursuant to the terms and provisions of this AGREEMENT shall be in writing, postage paid, and shall be sent by certified mail, return receipt requested, to the DISTRICT or PROJECT SPONSOR at the addresses below. The notice shall be effective on the date indicated on the return receipt.

26. **NO JOINT VENTURE** - The DISTRICT's role with respect to the PROJECT is that of a funding assistance authority only and the DISTRICT is not, and shall not be considered to be, an agent, partner, or joint venturer with the PROJECT SPONSOR.

27. **GOVERNING LAW** - The validity, interpretation, and performance of this AGREEMENT shall be controlled and construed according to the laws of the State of Florida.

Agenda Item 11B

28. **TRANSFERENCE** - It is the intent of the DISTRICT to issue this funding assistance to the PROJECT SPONSOR who has made application for this assistance. In the event the PROJECT SPONSOR transfers ownership or management of the PROJECT to a party or parties not now a part of this AGREEMENT, other than another governmental entity that agrees to assume, in writing, PROJECT SPONSOR'S obligation hereunder, the DISTRICT retains the right to full reimbursement from the PROJECT SPONSOR to the full extent of the funding assistance provided by the DISTRICT including, but not limited to, any costs and reasonable attorney's fees (regardless of whether litigation ensues) incurred by the DISTRICT in collecting said reimbursement.

29. **ENTIRE UNDERSTANDING** - This AGREEMENT, including any exhibits made a part hereof, embodies the entire AGREEMENT and understanding of the parties and supersedes all prior oral and written communications between them. The terms hereof may be modified only by a written amendment signed by both parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed the day, month and year aforesaid.

66B-2.001 Purpose.

Recognizing the importance and benefits of inland navigation channels and waterways, as well as noting problems associated with the construction, continued maintenance and use of these waterways, the Florida Legislature created Section 374.976, F.S. This law authorizes and empowers each inland navigation district to undertake programs intended to alleviate the problems associated with its waterways. The purpose of this rule is to set forth the District's policy and procedures for the implementation of an assistance program under Section 374.976, F.S., for local governments, member counties and navigation related districts within the District. This program will be known hereafter as the Florida Inland Navigation District's Waterways Assistance Program.

66B-2.003 Definitions.

The basic terms utilized in this rule are defined as follows:

- (1) "APPLICANT" means an eligible governmental agency submitting an application through this program.
- (2) "APPLICATION" means a project proposal with the required documentation.
- (3) "AUTHORIZED SUBMISSION PERIOD" means the established period for submitting applications to the District.
- (4) "BEACH RENOURISHMENT" means the placement of sand on a beach for the nourishment, renourishment or restoration of a beach.
- (5) "BOARD" means the Board of Commissioners of the Florida Inland Navigation District.
- (6) "DISTRICT" means the Florida Inland Navigation District (FIND).
- (7) "ELIGIBLE GOVERNMENTAL AGENCY" means member counties, local governments and navigation related districts within the taxing boundaries of the District.
- (8) "ENVIRONMENTAL PERMITS" means those permits, proprietary authorizations, exemptions, or general permits for construction below mean high water line of a navigable waterway required and issued by or on behalf of the U.S. Army Corps of

Agenda Item 11B

Engineers, the Florida Department of Environmental Protection, and the South Florida or the St. Johns River Water Management Districts or their successors.

(9) "EXECUTIVE DIRECTOR" means the Executive Director of the Florida Inland Navigation District.

(10) "LIAISON AGENT" means the contact person officially designated to act on behalf of the applicant or the project sponsor.

(11) "LOCAL GOVERNMENTS" means municipalities, cities, or consolidated county governments, which are located within the member counties.

(12) "MARITIME MANAGEMENT PLAN" means a written plan containing a systematic arrangement of elements specifically formulated to identify, evaluate and promote the benefits of eligible waterway accessibility and enjoyment, with consideration and respect to the physical, environmental and economic parameters of the planning area.

(13) "MATCHING FUNDS" means those funds provided by the local sponsor to the project.

(14) "MEMBER COUNTY" means a county located within the taxing boundaries of the District which includes Nassau, Duval, St. Johns, Flagler, Volusia, Brevard, Indian River, St. Lucie, Martin, Palm Beach, Broward and Miami-Dade Counties.

(15) "NAVIGATION RELATED DISTRICTS" means port authorities, inlet districts or any other agency having legally authorized navigation related duties in waterways of the District.

(16) "PRE-AGREEMENT COSTS" means project costs approved by the District Board which have occurred prior to the execution of the project agreement.

(17) "PROGRAM" means the Florida Inland Navigation District Waterways Assistance Program.

(18) "PROGRAM FUNDS" means financial assistance awarded by the Board to a project for release to the project sponsor pursuant to the terms of the project agreement.

(19) "PROJECT" means a planned undertaking consisting of eligible program facilities, improvements or expenses for the use and benefit of the general public.

(20) "PROJECT AGREEMENT" means an executed contract between the District and a project sponsor setting forth mutual obligations regarding an approved project.

(21) "PROJECT MAINTENANCE" means any usual action, activity, expense, replacement, adjustment or repair taken to retain a project or grant item in a serviceable, operational or normal condition, or the routine efforts and expenses necessary to restore it to serviceable or normal condition, including the routine recurring work required to keep the project or grant item in such condition that it may be continuously used at its original or designed capacity and efficiency for its intended purpose.

(22) "PROJECT MANAGER" means the District employee who is responsible for monitoring the performance of the Project and compliance with the project agreement.

(23) "PROJECT PERIOD" means the approved time during which costs may be incurred and charged to the funded project.

(24) "PROJECT SPONSOR" means an eligible governmental agency receiving program funds pursuant to an approved application.

(25) "PUBLIC BUILDING" means a building or facility on government owned property that is owned or operated by a governmental entity, or operated by a third party operator. The building or facility must provide waterway related information, public meeting space, or educational services and be open to members of the public on a continual basis without discrimination.

(26) "PUBLIC MARINA" means a harbor complex used primarily for recreational boat mooring or storage, the services of which are open to the general public on a first come, first served basis without any qualifying requirements such as club membership, stock ownership, or differential in price.

(27) "PUBLICLY OWNED COMMERCIAL OR INDUSTRIAL WATERWAY ACCESS" means any publicly owned area specifically designed to be used for staging, launching, or off-loading by commercial or industrial waterway users on a first come, first served, short-term basis, to gain entry to or from the District's waterways to serve the infrastructure needs of the District's waterway users.

(28) "TRIM HEARING" means a public hearing required by Chapter 200, F.S., concerning the tax and budget of the District.

(29) "WATERWAYS" means the Atlantic Intracoastal Waterway, the Okeechobee Waterway, the Barge Canal in Brevard County west of the Port Canaveral Locks, those portions of the Dania Cut-Off Canal and the Hillsboro Canal east of the water control structures, all navigable natural rivers, bays, creeks or lagoons intersected by said waterways and all navigable natural creeks, rivers, bays or lagoons entering or extending from said waterways.

(30) "WATERWAY RELATED ENVIRONMENTAL EDUCATION" means an interdisciplinary holistic process by which the learner: develops an awareness of the natural and manmade environments of waterways; develops knowledge about how the

Agenda Item 11B

environment of the waterways works; acquires knowledge about the technological, social, cultural, political, and economic relationships occurring in waterway related environmental issues; and, becomes motivated to apply action strategies to maintain balance between quality of life and quality of the environment of waterways.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History—New 12-17-90, Amended 9-2-92, 2-6-97, Formerly 16T-2.003, Amended 5-17-98, 3-21-01, 3-20-03, 3-3-04, 4-21-05, 4-24-06, 4-15-07, 3-25-08, 3-7-11.

66B-2.004 Policy.

The following constitutes the policy of the District regarding the administration of the program:

(1) Financial Assistance Eligibility: Financial assistance, support and cooperation may be provided to eligible governmental agencies for approved projects as follows:

(a) Member counties may be provided financial assistance, support or cooperation in planning, acquisition, development, construction, reconstruction, extension, improvement, operation or the maintenance of public navigation, local and regional anchorage management, beach renourishment, public recreation, inlet management, environmental education, maritime management plans, and boating safety projects directly related to the waterways.

(b) Eligible local governments may also be provided financial assistance, support and cooperation in planning and carrying out public navigation, local and regional anchorage management, beach renourishment, public recreation, inlet management, environmental education, and boating safety projects directly related to the waterways.

(c) Navigation related districts may be provided with financial assistance to pay part of the costs of the planning and acquisition of dredge material management sites if the Board finds that the site is required for the long-range maintenance of the Atlantic Intracoastal Waterway channel. All such sites must meet the development and operational criteria established by the District through a long-range dredge material management plan for that county. Navigation related districts may also be provided with assistance for waterway related access projects, environmental mitigation projects associated with waterway improvement related activities, and inlet management projects if the Board finds that the project benefits public navigation in the Atlantic Intracoastal Waterway. All navigation related districts shall contribute at least equal matching funds to any District financial assistance provided. Seaports may also be furnished assistance and support in planning and carrying out environmental mitigation projects. All seaport projects shall benefit publicly maintained channels and harbors. Each seaport shall contribute matching funds for funded projects.

(d) Eligible projects shall include the acquisition and development of public boat ramps and launching facilities, including those in man-made, navigable waterways contiguous to "waterways" as defined in Rule 66B-2.003, F.A.C.

(2) Notification: The District will notify by direct mail, email and/or advertised public notice all eligible governmental agencies of the program and the upcoming authorized submission period.

(3) Project Approval: Approval of projects by the District shall be in accordance with these rules.

(4) Project Accessibility: Facilities or programs funded in whole or in part by program funds shall be made available to the general public of all of the member counties on a non-exclusive basis without regard to race, color, religion, age, sex or similar condition. Additionally, facilities funded in whole or in part by program funds, shall not require a paid membership for the general public of all of the member counties as a condition to use the facilities. User or entrance fees may be charged for the use of facilities funded in whole or in part by program funds, however such fees shall be reasonable and shall be the same for the general public of all of the member counties.

(5) Waterway Impacts: All development projects must be designed so as not to impact navigation along the District's waterways through the placement of structures, attendant uses, or the necessity of a boating speed zone for safety purposes. Before applying for boating speed zone designation in District waterways because of a project funded by this program, the sponsor shall first receive approval from the Board. The Board will use the criteria found in Section 327.46(1), F.S., in determining whether to approve the proposed boating speed zone.

(6) Project Maintenance: The project sponsor shall be responsible for the operation, maintenance, and management of the project for the anticipated life of the project and shall be responsible for all expenses required for such purposes. The project shall be maintained in accordance with the standards of maintenance for other similar local facilities and in accordance with applicable health standards. Project facilities and improvements shall be kept reasonably safe and in reasonable repair to prevent undue deterioration and to encourage public use. The project sponsor shall have full legal authority and financial ability to operate and maintain the project facilities.

Agenda Item 11B

(7) Education Facilities and Programs: Waterways related environmental education facilities and programs sponsored by the District shall occur at specially designated environmental education facilities located adjacent and contiguous to the waterways. It is the District's intent to consolidate its environmental education efforts in the least number of facilities within an area that will adequately serve the education needs of that area of the District.

(8) Public Information Availability: Public information produced with assistance from this program shall not be copyrighted and shall be provided free of cost, except for the cost of reproduction, to the public.

(9) Third-Party Project Operators: Projects that are being operated by a third party shall have sufficient oversight by the eligible project sponsor as determined by the Board. Such oversight, at a minimum, will include a project liaison that is a staff member of the eligible project sponsor, and oversight of the operating hours and admission fees of the facility by the eligible project sponsor through a legal agreement. All third party projects shall be open to the public in accordance with this rule.

(10) Non-compliance: The District shall terminate a project agreement and demand return of program funds disbursed to the project sponsor for non-compliance with any of the terms of the project agreement or this rule, if such non-compliance calls into question the ability of the applicant to complete the project. Failure of a project sponsor to comply with the provisions of this rule or the project agreement shall result in the District declaring the project sponsor ineligible for further participation in the program until such time as compliance has been met to the satisfaction of the District.

(11) Fees: Any public project eligible for District program funds that charges a fee or will charge a fee must create and maintain an enterprise fund for the public project that shall plan for and retain at all times sufficient funds for the on-going maintenance of the facility during its project life. Accounting records of the previous five years of the public project's enterprise fund will be submitted as part of any subsequent assistance program application to the District.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1), (2) FS. History--New 12-17-90, Amended 2-3-94, 2-6-97, Formerly 16T-2.004, Amended 5-18-98, 3-31-99, 5-25-00, 3-21-01, 7-30-02, 3-3-04, 4-21-05, 4-1-09, 2-22-10, 3-7-11, 3-7-12, 1-27-14, 2-17-15.

66B-2.005 Funds Allocation.

The Board will allocate funding for this program based upon the District's overall goals, management policies, fiscal responsibilities and operational needs for the upcoming year. Funding allocations to navigation related districts, member counties and local governments shall be based upon the proportional share of the District's ad valorem tax collections from each county. If funds are determined to be available for the program, the District will notify potential eligible governmental agencies of the availability of program funding. Applications will be reviewed by the Board utilizing District Forms No. 91-25 and 91-25 (A) through (F) Waterways Assistance Program Application and Evaluation Worksheet (effective date 1/2014), hereby incorporated by reference and available at: <http://www.flrules.org/Gateway/reference.asp?No=Ref-03568> and available from the District office or by download from the District's webpage at: www.aicw.org.

(1) Funding Assistance Availability: In as much as the District has other fiscal responsibilities and operational needs, financial assistance to eligible government agencies shall not exceed an amount equal to eighty (80) percent of the proportional share of the District's ad valorem tax collections from each county in which such agencies are located. The District may make an exception to this funding limitation, if funds are determined to be available based upon the District's overall goals, management policies, fiscal responsibilities and operational needs, or in counties that are recovering from a state of emergency declared under Chapter 252, F.S.

(2) Project Funding Ratio: All financial assistance and support to eligible governmental agencies shall require, at a minimum, equal matching funds from the project sponsor, with the exception of public navigation projects that meet the provisions of subsection 66B-2.005(6), F.A.C., land acquisition projects in accordance with subsection 66B-2.005(7) and Rule 66B-2.008, F.A.C., small-scale spoil island restoration and enhancement projects that meet the provisions of Rule 66B-2.014, derelict vessel projects consistent with Rule 66B-2.0015, F.A.C., and Waterway Cleanup Projects approved under Rule 66B-2.0016, F.A.C. Applicant's in-house costs are limited pursuant to paragraph 66B-2.008(1)(c), F.A.C. All financial assistance to seaports shall require equal matching funds. The District shall contribute no more than fifty percent (50%) of the local share of the cost of an inlet management or beach renourishment project. The District shall not contribute funding to both the state and local shares of an inlet management or beach renourishment project.

(3) Pre-agreement Expenses: The project sponsor shall not commence work on an approved project element prior to the execution of the project agreement unless authorized by the Board during the review and funding approval process. Board authorization of pre-agreement expenses will be given for the commencement of work prior to the execution of a project agreement if the Board determines that there is a benefit to the District, its waterways or its constituents. All project costs must be incurred and work performed within

Agenda Item 11B

the project period as stipulated in the project agreement unless pre-agreement costs are approved by the Board. Pre-agreement expenses will be approved if they are consistent with the provisions of Rule 66B-2.008, F.A.C., and occur within the fiscal year of the grant application submission (October 1st to September 30th). Pre-agreement expenses, except for projects approved by the Board as multi-year projects, will be limited to fifty (50) percent of the project's total cost and if the expenses are eligible project expenses in accordance with this rule. Only one-half (1/2) or less of the approved pre-agreement expenses will be eligible for reimbursement funding from the District, except for projects approved by the Board as multi-year projects. The Board shall consider a waiver of the limitation on pre-agreement expenses for Small-Scale Derelict Vessel grants and land acquisition projects when the applicant demonstrates a direct need and benefit and the project is in accordance with the applicable provisions of Chapter 66B-2, F.A.C.

(4) Multi-Year Funding: The construction phase of projects that are large scale, involve multiple phases, have a construction time line of one year or longer, or are requesting a significant amount of assistance funding in relation to the total assistance available for the county where the project is located, will be reviewed and approved by the District Board for a multiple year period subject to budgeting and allocation pursuant to the provisions of Chapter 200, F.S. The determination by the Board to provide assistance funding on a multi-year basis can be made at any time during the application review process. All approved multi-year projects are limited to a maximum of two (2) additional funding requests.

(5) Inlet Management and Beach Renourishment: Projects and project elements in the categories of inlet management and beach renourishment shall be subject to the following provisions. The District shall contribute no more than fifty percent of the local share of the cost of the project. The District shall not contribute funding to both the state and local shares of an inlet management or beach renourishment project. Funding for the construction phase of an inlet management or beach renourishment project may be approved by the District Board for a multiple year period subject to budgeting and allocation pursuant to the provisions of Chapter 200, F.S. Additionally the following provisions shall be met for inlet management or beach renourishment projects:

(a) Inlet Management: Inlet management projects shall benefit public navigation within the District and shall be consistent with Department of Environmental Protection approved inlet management plans and the statewide beach management plan pursuant to Section 161.161, F.S. Inlet management projects that are determined to be consistent with Department of Environmental Protection approved inlet management plans are declared to be a benefit to public navigation.

(b) Beach Renourishment: All projects in this category shall be consistent with the statewide beach management plan. Beach renourishment projects shall only include those beaches that have been adversely impacted by navigation inlets, navigation structures, navigation dredging, or a navigation project. The determination of beach areas that are adversely impacted by navigation for the purposes of this program shall be made by Department of Environmental Protection approved inlet management plans. If state funding is not provided for a beach project, public access with adequate parking must be available in accordance with Chapter 161, F.S.

(6) Public Navigation: Projects or project elements in the category of public navigation that will qualify for up to seventy-five percent (75%) program funds must be within the Intracoastal Right-of-Way (ROW), or provide public navigation channel access to two or more publicly accessible launching, mooring or docking facilities. In addition, the following shall apply:

(a) Navigation channel dredging: The project sponsor must demonstrate that the source of channel sedimentation has been identified and is in the process of, or has been controlled, or that the frequency and amount of shoaling is such that dredging will provide an improvement to the channel that will last for twenty (20) years or more and therefore is more cost effective than identifying and correcting the cause of shoaling, or that the cost of identifying the source of channel sedimentation exceeds the cost of the dredging project.

(b) Navigation channel lighting and markers must be located on primary or secondary public navigation channels. Navigation projects or project elements that have one facility open to the public will qualify for up to fifty percent (50%) program funding. Dredging that is associated or ancillary to another use (such as a boat ramp, marina or pier) will be prioritized according to the associated use.

(7) Land Acquisition: Land acquisition projects that provide for commercial/industrial waterway access shall qualify for a maximum of fifty (50) percent funding. All other land acquisition projects shall qualify for a maximum of twenty-five (25) percent program funding. All pre-agreement expenses for land acquisition must be completed within one-year of the date of application for funding. All funded land acquisition projects must construct the required boating access facility within 7 years of completion of the land acquisition, or the District may require the applicant to refund the program funding. Immediately upon acquiring title to the land, the applicant shall record a declaration of covenants in favor of the District stating that if the required boating access facility is not constructed within 7 years and dedicated for the public use as a boating access facility for a minimum period of 25 years after completion of construction, the District shall require the applicant to refund the program funding.

Agenda Item 11B

(8) Seaport Funding Eligibility: Financial assistance to seaports may exceed the proportional share of the District's ad valorem tax collections as set forth in subsection 66B-2.005(1), F.A.C., from the county in which such seaport is located if the seaport can demonstrate that a regional benefit occurs from the port's activities. Financial assistance to a seaport project that demonstrates a regional benefit shall not exceed an amount equal to (i) the proportional share of the District's ad valorem tax collections as set forth in subsection 66B-2.005(1), F.A.C., from the counties where the benefit is demonstrated less (ii) funding allocated in the same fiscal year to all other local government projects funded in those counties.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1), (3) FS. History--New 12-17-90, Amended 6-24-93, 9-5-96, 2-6-97, Formerly 16T-2.005, Amended 5-17-98, 8-26-99, 3-21-01, 7-30-02, 3-3-04, 4-21-05, 4-24-06, 4-15-07, 3-25-08, 4-1-09, 3-7-11, 3-7-12, 4-10-13, 1-27-14, 5-15-16.

66B-2.006 Application Process.

(1) Application Period: With the exception of eligible Disaster Relief Projects, eligible Small-Scale Spoil Island Restoration and Enhancement Projects eligible Small-Scale Derelict Vessel Applications and Waterway Cleanup Events, all applications for assistance through this program will be submitted during the authorized submission period that shall be established by vote of the Board at a scheduled meeting.

(2) Application Forms: Florida Inland Navigation District Waterways Assistance Program Project Application FIND Form Number 90-22 (effective date 4-24-06) and the Waterway Assistance Program Application and Evaluation Worksheet No. 91-25 and 91-25 (A) through (F) (effective date 1/2014) are hereby incorporated by reference and available from the District office. With the exception of projects eligible under the Small-Scale Spoil Island Restoration and Enhancement program, the Small-Scale Derelict Vessel program, and eligible Waterway Cleanup Events, all applications for financial assistance and support through this program from member counties and local governments shall be made on Form Number FIND 90-22 and the Waterway Assistance Program Project Application and Evaluation Worksheet No. 91-25 and 91-25 (A) through (F) and shall include a detailed cost estimate submitted on FIND Form No. 90-25, Florida Inland Navigation District Assistance Program Project Cost Estimate, (effective date 4-24-06), hereby incorporated by reference and available from the District office. In addition, all applicants shall submit a complete and detailed Project Timeline (FIND FORM No. 96-10) (effective date 4-15-07).

(3) Sponsor Resolution: The project sponsor shall approve the submission of an application by official resolution from its governing board or commission. Said resolution shall be made on FIND Form No. 90-21, Resolution for Assistance Under the Florida Inland Navigation District Waterways Assistance Program (effective date 10-14-92), hereby incorporated by reference and available from the District office.

(4) Attorney's Certification: If the application is for a project that is a land based development project the applicant shall submit an Attorney's Certification of Title, FIND Form Number 94-26 (effective date 5-25-00), hereby incorporated by reference and available from the District office.

(5) Maps and Geographic Information: All applicants shall be required to submit, at minimum, the following geographic information: A County location map, a project location map, a project boundary map, and a clear and detailed site development map for land development projects.

(6) Application Review: Applicants shall obtain the local FIND Commissioner's initials on Form No. 90-26 prior to submitting the application to the District office. It is the applicant's responsibility to make timely arrangements for the local FIND Commissioner's review. In the absence of extenuating circumstances outside of the applicant's control as determined by the Board of Commissioners, an application shall not be considered complete if it does not include the local FIND commissioner's initials on Form No. 90-26. Upon receipt in the District office, staff will review the applications for completeness of the informational requirements identified in the Application Checklist, FIND Form Number 90-26 (effective date 7-30-02), and for compliance with the eligibility requirements of this rule. When an application is determined by staff to be incomplete or ineligible, staff will immediately inform the applicant by mail. The applicant will then have until the date established by the Board in the application package to bring the application into compliance. If the applicant fails to provide a complete application in compliance with these rules, the application will not be considered for funding. In order to have a complete application, the applicant shall not only submit the forms required under Rule 66B-2.006, F.A.C., and any other information requirements identified in the Application Checklist (FIND Form Number 90-26), but such forms and other submitted information must be completely filled out, executed as applicable, and also establish compliance with Chapter 66B-2, F.A.C.

(7) Interlocal Agreements: Applications that the Board determines will directly benefit the maintenance of the Atlantic Intracoastal

Agenda Item 11B

Waterway channel as documented by the District's long range dredged material management plans, will directly benefit the maintenance of the Okeechobee Waterway channel as documented by the District's long range dredged material management plan, will directly benefit the maintenance or improvement of District property, right-of-way or navigation interests, or have multiple funding partners including the Corps of Engineers as the project manager can qualify for project assistance through an interlocal agreement pursuant to Chapter 163, F.S., or Section 374.984(6)(a), F.S. District staff will identify these applications and present them to the Board for their determination as to funding. Interlocal agreement projects shall comply with all other provisions of this rule, except for pre-agreement expenses, permitting and property control requirements.

(8) Application Presentations: Applications determined to be complete and in compliance with this rule will be forwarded to the Board for review and then scheduled for presentation to the Board at a scheduled meeting of the Board. Applicants can decline to make a presentation to the Board by submitting a written request.

(9) Application Evaluation and Rating Score: Following the presentations, the Board will review the applications and evaluate them using the Waterways Assistance Program Application and Evaluation Worksheets No. 91-25 (A) through (F) for Waterways Assistance Program applications. The total points awarded to each application by the Commissioners will be averaged to determine an application's final rating score. The final rating score for each application must equal or exceed 35 points for the application to be considered for funding assistance. Reconsideration of any application with a final rating score of less than 35 points will only occur if the majority of the Commissioners evaluating the project rated the project equal to or exceeding 35 points and two-thirds of the Commissioners vote for reconsideration of the application. Only Applicants that are eligible under Rule 66B-2.0061, F.A.C., "Disaster Relief Applications", shall complete FIND Form No. 91-25F Emergency Re-Construction (effective date 4-24-06, 1/2014).

(10) Funding Determination: The Board will hold a funding allocation meeting at which time the Board will determine the allocation of funds, if any, to each project and the projects will be ranked by overall average score to facilitate final funding decisions by the Board. Allocations will be based in part upon the cumulative score of the applications as calculated from the Project Evaluation and Rating Form. Allocations will also be based upon the specific needs of the individual counties.

66B-2.0061 Disaster Relief Applications.

Disaster Relief applications may be submitted to the District and considered by the Board at any time during the year to provide assistance to an eligible applicant for the removal of navigation obstructions and repair or replacement of waterway facilities damaged by a declared natural disaster. The District shall consider these applications in accordance with these rules.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History—New 6-24-93, Amended 2-6-97, Formerly 16T-2.0061, Amended 4-24-06.

66B-2.008 Project Eligibility.

(1) Eligible Projects: Financial assistance and support through this program shall be used to plan or carry out public navigation and anchorage management, public recreation, environmental education, boating safety, acquisition and development of spoil sites and publicly owned commercial/industrial waterway access directly related to the waterways, acquisition and development of public boat ramps, launching facilities and boat docking and mooring facilities, inlet management, maritime management planning, environmental mitigation and beach renourishment.

(a) Program funds may be used for projects such as acquisition, planning, development, construction, reconstruction, extension, or improvement, of the following types of projects for public use on land and water. These project types will be arranged into a priority list each year by vote of the Board. The priority list will be distributed to applicants with the project application.

1. Public navigation channel dredging;
2. Public navigation aids and markers;
3. Inlet management projects that are a benefit to public navigation in the District;
4. Public shoreline stabilization directly benefiting the District's waterway channels;
5. Acquisition and development of publicly owned spoil disposal site and public commercial/industrial waterway access;
6. Waterway signs and buoys for safety, regulation or information;
7. Acquisition, dredging, shoreline stabilization and development of public boat ramps and launching facilities;
8. Acquisition, dredging, shoreline stabilization and development of public boat docking and mooring facilities;

Agenda Item 11B

9. Derelict Vessel Removal;
10. Waterways related environmental education programs and facilities;
11. Public fishing and viewing piers;
12. Public waterfront parks and boardwalks and associated improvements;
13. Maritime Management Planning;
14. Waterways boating safety programs and equipment;
15. Beach renourishment on beaches adversely impacted by navigation inlets, navigation structures, navigation dredging, or a navigation project; and,
16. Environmental restoration, enhancement or mitigation projects; and,
17. Other waterway related projects. Waterway projects that do not meet specific criteria in subsection 66B-2.005(5) or (6) or subparagraphs 66B-2.008(1)(a)1.-16., F.A.C., but are located on eligible waterways shall be considered for funding under the priority listing of "other waterway related project" and eligible for 25% funding.

(b) Ineligible Projects or Project Elements. Project costs ineligible for program funding or matching funds will include: contingencies, miscellaneous, reoccurring personnel related costs, irrigation equipment, ball-courts, park and playground equipment, and any extraneous recreational amenities not directly related to the waterway such as the following:

1. Landscaping that does not provide shoreline stabilization or aquatic habitat;
2. Restrooms for non-waterway users;
3. Roadways providing access to non-waterway users;
4. Parking areas for non-waterway users;
5. Utilities for non-waterway related facilities;
6. Lighting for non-waterway related facilities;
7. Project maintenance and maintenance equipment;
8. Picnic shelters and furniture for non-waterway related facilities;
9. Vehicles to transport vessels; and,
10. Operational items such as fuel, oil, etc.
11. Office space that is not incidental and necessary to the operation of the main eligible public building; and,
12. Conceptual project planning, including: public surveys, opinion polls, public meetings, organizational conferences; and,
13. Inlet maintenance.

(c) Project Elements with Eligibility Limits: Subject to approval by the Board of an itemized expense list:

1. The following project costs will be eligible for program funding or as matching funding if they are performed by an independent contractor:
 - a. Project management, administration and inspection;
 - b. Design, permitting, planning, engineering or surveying costs for completed construction project;
 - c. Restoration of sites disturbed during the construction of an approved project;
 - d. Equipment costs.

Before reimbursement is made by the District on any of the costs listed in subparagraph 1. above, a construction contract for the project, approved and executed by the project sponsor and project contractor must be submitted to the District.

2. Marine fire-fighting, Marine law enforcement and other vessels are eligible for a maximum of \$60,000 in initial District funding. All future replacement and maintenance costs of the vessel and related equipment will be the responsibility of the applicant.

3. Waterway related environmental education facility funding will be limited to those project elements directly related to the District's waterways.

(d) Phasing of Projects: Applications for eligible waterway projects may be submitted as a phased project where Phase I will include the design, engineering and permitting elements and Phase II will include the construction of the project. A description and cost estimate of the Phase II work shall be submitted along with the Phase I application for Board review.

(2) Property Control: The site of a new proposed land-based development project, with the exception of those projects requesting Small-Scale Spoil Island Restoration and Enhancement funding, shall be dedicated for the public use for which the project was intended for a minimum period of 25 years after project completion. Such dedication shall be in the form of a deed, lease, management agreement or other legally binding document and shall be recorded in the public property records of the county in which the property is located. This property control requirement also applies to a project site owned by another governmental entity. The governmental

Agenda Item 11B

entity that owns the project site may be joined as a co-applicant to meet this property control requirement. Existing land based development projects that are being repaired, replaced or modified must demonstrate that the project site has been dedicated for public use for at least 25 years with at least 10 years remaining on the dedication document. Property shall also be deemed dedicated for public use if:

(a) The property has been designated for the use for which the project is intended (even though there may have been no formal dedication) in a plat or map recorded prior to 1940, or

(b) The project sponsor demonstrates that it has had exclusive control over the property for the public use for which the project is intended for a period of at least 30 years prior to submission of the application, or

(c) There is no ongoing litigation challenging the designated use of the property as shown on the plat or map, nor has there been any judicial determination contrary to the use by the public for the use shown on the plat or map.

(3) Permits: The project sponsor is responsible for obtaining and abiding by any and all federal, state and local permits, laws, proprietary authorizations and regulations in the development and operation of the project. Applicants for construction projects that include elements that require state or federal environmental permits or proprietary authorizations will demonstrate that all required environmental permitting and authorizations will be completed by the District's final TRIM hearing. This demonstration will be by submission of the required environmental permit(s) and authorizations, or by submission of a letter from the agency(s) stating that a permit or authorization is not required. Should the environmental permitting element of an application that has construction elements requiring state or federal environmental permits or authorizations not be completed by the District's final TRIM hearing, the construction portion of the project will not be considered for funding. Whereby funding decisions are completed at the final TRIM hearing, the District will not deviate from the funding schedule to accommodate any application deficiency.

(4) Public Marina Qualifications: All public marina projects funded through this program shall include sewage pumpout facilities for vessels, unless the applicant can demonstrate that inclusion of such a facility is physically, operationally or economically impracticable. All public marina projects funded through this program shall have at least ten percent (10%) of their slips or mooring areas available for transient vessels. Public marina dockage rates shall be within market comparison of the dockage rates of other area marinas. The public marina will be required to establish and maintain an accounting of the funds for the facility and shall plan for and retain at all times sufficient funds for the on-going maintenance of the facility during its project life.

(5) The District may assist eligible local governments with efforts to prepare and implement a comprehensive maritime management plan. The plan shall be utilized by the eligible government to promote and maximize the public benefit and enjoyment of eligible waterways, while identifying and prioritizing the waterway access needs of the community. The plan should not duplicate any existing or ongoing efforts for the same waterway or water shed, nor shall the District participate in any effort that does not address the basic maritime needs of the community.

(a) Existing plans may be updated at reasonable intervals or amended to include waterway areas previously not included in the original effort. Public, government, environmental, industry and other pertinent interest groups shall be solicited and included for input in the planning process.

(b) The plan shall be utilized as a tool to provide a minimum 5-year planning analysis and forecast for the maritime needs of the community, and shall include, at minimum, the following:

1. Public boat ramp and ramp parking inventory and analysis.
2. Public mooring and docking facility analysis, including day docks and transient slips.
3. Commercial and working waterfront identification and needs analysis.
4. The identification, location, condition and analysis of existing and potential navigation channels.
5. An inventory and assessment of accessible public shorelines.
6. Public Waterway transportation needs.
7. Environmental conditions that affect boat facility siting, a current resource inventory survey, and restoration opportunities.
8. Economic conditions affecting the boating community and boating facilities.
9. Acknowledgment and coordination with existing data and information, including an emphasis on the Intracoastal Waterway.

(c) Projects requested for assistance program funding shall be consistent with the applicant's maritime management plan. The applicant should utilize the plan to assist in prioritizing waterway improvement projects.

(6) All eligible environmental restoration, enhancement or mitigation projects as well as the environmental restoration, enhancement or mitigation components of other types of projects shall be required to pursue and assign any available mitigation

Agenda Item 11B

credits to the District for that share of the project funded through the District's Assistance Program. All eligible environmental restoration, enhancement or mitigation projects shall provide public access where possible.

(7) Final Decisions: The Board will make all final decisions on the eligibility of a Project or specific project costs.

66B-2.009 Project Administration.

The District will appoint a project manager who shall be responsible for monitoring the project and the project agreement. The project manager shall also be responsible for approving all reimbursement requests. The project sponsor shall appoint a liaison agent, who will be a member of the eligible applicant's staff, to act on its behalf in carrying out the terms of the project agreement. Administration of the project will be as follows:

(1) Project Agreement: For each funded project, the District and the project sponsor will enter into a project agreement. The project agreement shall be executed and returned by the project sponsor within six (6) months of the approval of the project funding and prior to the release of program funds, setting forth the mutual obligations of the parties concerning the project. The project agreement shall incorporate the applicable policies and procedures of the program as outlined in this rule. Project agreements will be for a two-year period with the possibility for one, one-year extension. Any request for a one-year extension of funding shall require submittal by the PROJECT SPONSOR of a request for extension to the DISTRICT no later than July of fiscal year two of the approved project. This request will then be considered by the DISTRICT Board, whose decision shall be final. In review of these requests, the Board will take into consideration the current status and progress of the project and the ability of the applicant to complete the project within one additional year.

(2) Matching Funds: The project sponsor shall clearly identify and enumerate the amount and source of the matching funds it will be using to match the program funds supplied by the District for an approved project. The project sponsor shall provide suitable evidence that it has the matching funds available at the time the project agreement is executed.

(3) Agreement Modification: All proposed changes to the project agreement must be submitted to the District in writing by the project sponsor accompanied by a statement of justification for the proposed changes. All project agreement amendments shall be approved by the District Board, except that the Executive Director may approve a minor project agreement amendment for a project within a county with the local District commissioner's concurrence. A minor project amendment shall not change the approved project's category, result in a reallocation of more than 35% of the approved funding of the project among project elements, nor allow for a greater than 35% change in the project scale or scope of work. Project agreement amendments will not include a change to the approved project's location or a change in the approved project's purpose or project type. Agreed changes shall be evidenced by a formal amendment to the project agreement and shall be in compliance with these rules.

(4) Project Reporting: The liaison agent will submit quarterly reports to the project manager summarizing the work accomplished since the last report, problems encountered, percentage of project completion and other appropriate information. These reports shall continue throughout the length of the project period until completion of the project. The report shall be submitted on Form 95-02, "Assistance Program Project Quarterly Status Report", dated 7-30-02, hereby incorporated by reference and available at the District office. A Final Project Report shall be submitted at the completion of the project and shall at minimum include: project summary, photo of completed project, final cost, project benefits to the waterway and location address.

(5) Reimbursement Requests: The liaison agent may submit periodic reimbursement requests during the project period in accordance with Rule 66B-2.011, F.A.C. The project manager will approve or disapprove all reimbursement requests. The final payment of program funds will be made upon certified completion of the project by the District.

(6) Project Inspection: Upon reasonable request, the project manager shall have the right to inspect the project and any and all records relating to the project.

(7) Project Completion: The project shall be completed within three (3) years of the date of the beginning of the District's first fiscal year for which the project was approved. If the completion of a project is impacted by a declared state of emergency and the Board waives this rule section, the extension of time granted shall not exceed one additional three (3) year period.

(8) Project Completion Requirements: Upon completion of the project, the liaison agent shall provide the following to the project manager:

(a) A Project Completion Certificate, FIND Form No. 90-13 (effective date 7-30-02), hereby incorporated by reference and

Agenda Item 11B

available from the District office, which certifies that the project was completed in accordance with the project agreement and the final project plans.

(b) A final reimbursement request accompanied by all required billing statements and vouchers.

(c) Photograph(s) showing the installation of the sign required by Rule 66B-2.013, F.A.C.

(d) Photograph(s) of the completed project clearly showing the program improvements.

(9) Project Completion Review: The project manager will review the project completion package and will authorize or reject the final reimbursement payment which will include all retained funds from previous requests.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History--New 12-17-90, Formerly 16T-2.009, Amended 3-21-01, 7-30-02, 3-7-11, 1-27-14.

66B-2.011 Reimbursement.

The District shall release program funds in accordance with the terms and conditions set forth in the project agreement. This release of program funds shall be on a reimbursement only basis. The District shall reimburse the project sponsor for project costs expended on the project in accordance with the project agreement. Project funds to be reimbursed will require the submission of a Reimbursement Request Form and required supporting documents, FIND Form No. 90-14 (effective date 7-30-02) hereby incorporated by reference and available from the District office.

(1) Authorized Expenditures: Project funds shall not be spent except as consistent with the project agreement cost estimate that was approved by the Board, which shall be an attachment to the project agreement. This cost estimate will establish the maximum funding assistance provided by the District and the percentage of funding provided by each party to the project. The District will pay the lesser of:

(a) The percentage total of project funding that the Board has agreed to fund, or

(b) The maximum application funding assistance amount.

(2) Phase I Reimbursement: In accordance with these rules, reimbursement cannot be made on a Phase I application until a construction contract is executed by the applicant for the construction phase of the project. If the Phase I project is completed but a construction contract is not executed by the three (3) year project deadline, then the District shall only allow one (1) year from the Phase I project deadline to enter into the required construction contract before the Phase I funding is cancelled.

(3) Reimbursement Requests: All project costs shall be reported to the District and summarized on the Reimbursement Request Form. All requests for reimbursement shall include supporting documentation such as billing statements for work performed and cancelled payment vouchers for expenditures made.

(4) Retainage: The District shall retain ten percent (10%) of all reimbursement payments until final certification of completion of the project. The District shall withhold any reimbursement payment, either in whole or part, for non-compliance with the terms of this agreement.

(5) Check Presentations: A District representative shall present the final reimbursement check to the project sponsor during a public commission meeting or public dedication ceremony for the project facility.

(6) Recovery of Additional Project Funding: If the project sponsor receives additional funding for the project costs from another source that was not identified in the original application and that changes the agreement cost-share percentage, the project sponsor shall proportionately reimburse the District's program funds equal to the cost-share percentage in the approved project agreement. The project sponsor shall promptly notify the District of any project payments it receives from a source other than the District.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History--New 12-17-90, Amended 6-24-93, Formerly 16T-2.011, Amended 3-31-99, 7-30-02, 3-7-11.

66B-2.012 Accountability.

The following procedures shall govern the accountability of program funds:

(1) Accounting: Each project sponsor is responsible for maintaining an accounting system which meets generally accepted accounting principles and for maintaining such financial records as necessary to properly account for all program funds.

(2) Quarterly Reports: The project sponsor shall submit quarterly project status reports to FIND in accordance with subsection 66B-2.009(4), F.A.C.

(3) Completion Certification: All required final completion certification documents and materials as outlined in subsection 66B-2.009(8), F.A.C., of this rule shall be submitted to the District prior to final reimbursement of program funds.

Agenda Item 11B

(4) Auditing: All project records including project costs shall be available for review by the District or by an auditor selected by the District for 3 years after completion of the project. Any such audit expenses incurred shall be borne entirely by the project sponsor.

(5) Project Records: The project sponsor shall retain all records supporting project costs for three years after either the completion of the project or the final reimbursement payment, whichever is later, except that should any litigation, claim, or special audit arise before the expiration of the three year period, the project sponsor shall retain all records until the final resolution of such matters.

(6) Repayment: If it is found by any State, County, FIND, or independent audit that program funds have not been used in accordance with this rule and applicable laws, the project sponsor shall repay the misused program funds to the District.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History--New 12-17-90, Formerly 16T-2.012, Amended 7-30-02.

66B-2.013 Acknowledgement.

The project sponsor shall erect a permanent sign, approved by the District, at the entrance to the project site which indicates the District's participation in the project. This sign shall contain the FIND logo. In the event that the project sponsor erects a temporary construction sign, this sign shall also recognize the District's participation. If the final product of the project is a report, study or other publication, the District's sponsorship of that publication shall be prominently indicated at the beginning of the publication. If the project results in an educational display, the District's logo and a statement of the District's participation in the project shall be contained in the display.

66B-2.014 Small-Scale Spoil Island Restoration and Enhancement Projects.

Proposals shall be accepted for the restoration or enhancement of spoil islands and natural islands within the District's waterways for recreational, navigational, educational, and environmental purposes. The applicable provisions of this rule apply to these applications with the following additions or exceptions:

(1) Application Procedure – A Request for Proposals procedure will be used to request proposals for consideration. Proposals shall follow the format described in FIND Document #03-02, Call for Proposals – Small-Scale Spoil Island Restoration and Enhancement Program (effective date 7-30-02), hereby incorporated by reference and available from the District office. Proposals may be submitted to the District and considered by the Board at any time during the year.

(2) Matching Funds: Small-scale spoil island restoration and enhancement may qualify for up to ninety percent (90%) program funds. The applicant's ten percent (10%) matching funds may include in-kind contribution pursuant to paragraph 66B-2.014(4)(b), F.A.C.

(3) Eligibility: All proposals must meet the following eligibility criteria to be considered for funding:

(a) Management Plan Compliance: Projects shall be in compliance with the provisions of any Spoil Island Management Plans or other management plans that govern the Project site.

(b) Property Control: The Project Sponsor must have written property rights on the Project site to construct and maintain the Project for a minimum of five years. Such property rights can be in the form of a lease, interlocal agreement, use agreement or other legal form approved by the District. The applicant shall include a map clearly delineating the location of all proposed work included in the application.

(4) Funds Allocation: Funds shall be allocated pursuant to Rule 66B-2.005, F.A.C., subject to the exceptions identified in this rule, and with the following additions:

(a) The District shall fund a maximum of up to \$7,500 per project, not to exceed \$22,500 per County, per fiscal year.

(b) The Project Sponsor may contribute in-kind construction labor; such in-kind construction labor costs will not be counted by the District as exceeding \$10.00 per hour. No administrative costs can be incorporated into the Project as Project costs.

(c) The funding provided by the District shall only be allocated for specific Project expenses such as construction materials, plant materials, herbicides, etc. The funding provided by the District shall not be allocated for parties, food or beverages.

(5) Hold Harmless Waiver: All volunteers, who are not government employees, shall sign a hold harmless waiver Form No. 02-01 (New 7-30-02) as approved by the District and hereby incorporated by reference and available from the District office.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History--New 7-30-02, Amended 4-24-06, 3-7-11.

Agenda Item 11B

66B-2.015 Small-Scale Derelict Vessel Removal Projects.

Proposals shall be accepted for financial assistance for the removal of derelict vessels within the District's waterways. The applicable provisions of this rule apply to these applications with the following additions or exceptions:

(1) Application Procedure – Applications shall be submitted on a completed FIND Form No. 05-01 (Small-Scale Derelict Vessel Removal Program) (effective date 4-24-06), and FIND Form No. 01-06 (Small-Scale Derelict Vessel Removal Program – Project Cost Estimate), (effective date 4-24-06), hereby incorporated by reference and available from the District office. Applications may be submitted to the District and considered by the Board at any time during the year.

(2) The District shall only fund applicants that have identified derelict vessels to be removed and have a current bid for removal for such vessels, or have completed the removal of such vessels within the 6 months preceding the application, subject to eligibility under these program rules.

(3) The program must be sponsored by an eligible government agency or not-for-profit organization.

(4) District funding shall be limited to \$30,000.00 per county, per year, provided on a reimbursement basis only. The limitation on pre-agreement expenses may be waived by the Board in accordance with subsection 66B-2.005(3), F.A.C.

(5) The eligible applicant must provide the remaining matching funds for project completion. In no case shall the District's cost-share contribution exceed 75% of the total project costs. In-house project management or administration costs are not eligible costs or matching costs.

(6) The derelict vessel must be located in the District's Waterways, as defined in Rule 66B-2.003, F.A.C. The applicant shall include a map clearly delineating the location of all vessels included in the application

(7) The District shall be recognized when possible in all written, audio or video advertising and promotions as a participating sponsor of the program.

(8) The funding provided by the District shall only be allocated for removal of derelict vessels. The District is providing program reimbursement funds only and shall be held harmless with regards to the activities initiated by the applicant.

(9) The applicant shall be responsible for all maintenance, management, disposal and operating expenses associated with the program.

(10) Funds derived from the sale of any derelict vessels or vessel parts removed through this grant program must be reinvested into the applicant's derelict vessel removal program.

(11) The District Board shall make all final decisions concerning the provision of funding for this program.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History--New 4-24-06, Amended 4-15-07, 3-25-08, 3-7-11, 1-27-14.

66B-2.016 Waterways Cleanup Events.

Proposals shall be accepted for financial assistance for the organized removal of refuse within the District's waterways. The applicable provisions of this rule apply to these applications with the following additions or exceptions:

(1) Application Procedure: Prior to the event, a request for funding shall be submitted to the District by means of a cover letter detailing the occurrence of the cleanup, contact information, a map of the cleanup locations and the general parameters of the event. In addition, the Applicant will submit a detailed budget clearly delineating the expenditure of all District funds, as well as the overall general budget of the event. Proposals may be submitted to the District and considered by the Board at any time during the year.

(2) Availability: The District shall fund a maximum of one clean-up program per waterway, per year within a county, with exception to the provisions of subsections (8) through (10), below.

(3) Applicant Eligibility: The clean-up program must be sponsored by a government agency or a registered not-for-profit corporation.

(4) Funding: District funding shall be limited to \$5,000 per waterway, per county, except for the provisions of subsections (8) through (10), below.

(5) The District shall be recognized in all written, on-line, audio or video advertising and promotions as a participating sponsor of the clean-up program.

(6) Funding Eligibility: The funding provided by the District shall only be allocated to reimburse the applicant for out of pocket expenditures related to specific cleanup program expenses such as trash bags, trash collection, haul and landfill fees, gloves, advertising, T-shirts, and related expenses. The funding provided by the District shall not be allocated for parties, meetings, food or beverages.

(7) The District Board shall make all final decisions concerning the provision of funding for a clean-up program.

Agenda Item 11B

In addition to the requirements stated above, a cleanup program implementing all of the following additional incentives will qualify for up to additional \$5,000 in clean up funds.

(8) The clean-up program budget must provide equal or greater matching funds for all Navigation District funding.

(9) The applicant shall tally and report the composition and location of the waterway-related debris, with the goal to show definitive progress in the amount of refuse collected, a reduction in the overall debris in the waterway, or an increase in the number of additional waterway areas included in the clean up.

(10) For each additional \$1,000 in Navigation District funding, the applicant shall coordinate a minimum of one waterway collection point or clean up area, or an applicant can conduct an additional waterway cleanup program for the waterway areas.

NORTH BAY VILLAGE RECOMMENDATION MEMORANDUM

DATE: December 2, 2018

TO: Mayor Brent Latham
Vice Mayor Andreana Jackson
Commissioner Jose Alvarez
Commissioner Julianna Strout
Commissioner Marvin Wilmoth

RECOMMENDATION BY STAFF: Johnny Saavedra, IT Administrator
Robert Miller, Dispatch Supervisor

PRESENTED BY STAFF: Lewis Velken, Interim Village Manager 

SUBJECT: Replacement of Village Telephone System

RECOMMENDATION: It is recommended that the Village Commission approve the purchase of a telephone system from SenCommunications at a cost of \$22,108, which includes installation, training, and 24/7 support.

BACKGROUND

The telephone system used by The Village has reached the end of its life cycle. The telephones, made by Telrad, are no longer manufactured and are not functioning properly. There is static on the lines, calls get dropped, and conversation is difficult to discern. Support from the company is substandard. There have been instances where we have had to wait weeks for a simple service call. Their diagnostic equipment utilizes computers which are no longer supported by Microsoft. They often recruit our IT vendor, Johnny Saavedra, to help with service calls that they should be providing.

We received various proposals to include hardware, software, installation, and support for all of North Bay Village's needs. This includes administrative services for Village Hall, Police, Building Department, Public Works, and all other ancillary departments related to Village business.

Agenda Item 11C

Once requirements and specifications were set, proposals were received from three different vendors, including our current vendor, Digetel, Verizon, and SenCommunications. Proposals were based on short and long term costs, reliability, reputation, and adaptability for our staff. An assessment for all three companies was completed by our IT Administrator, Johnny Saavedra, and Dispatch Supervisor, Robert Miller.

Once the selection process was complete, SenCommunications was recommended based on their ability to provide the best product to suit the Village's needs. SenCommunications is on State Contract, so we can piggy back off of their contract. The proposal covers installation of all hardware, to include two (2) main switchboards, five (5) power users (which allow for off-site communications), and 33 IP telephone extensions to accommodate all departments and personnel. They will also provide connectivity between 1666 Kennedy Causeway and 1841 Galleon Street, through an established T1 line. The proposal also includes training, five (5) years of maintenance, and 24/7 support.

The three proposals we received are listed below:

Digetel:	\$14,774 (excluding maintenance, support M-F, 9-5)
Verizon:	\$18,639 (\$12,480 annual recurring fee)
Sencommunications:	\$22,108

BUDGETARY IMPACT

The FY 2019 budget was prepared, using an estimated cost of \$35,000. \$17,500 was budgeted in the General Fund and \$17,500 was budgeted in the Utility Fund. Our recommended telephone system will provide a savings of \$12,892 compared to what was budget.

PERSONNEL IMPACT None.

Zoning District	RS-2
Use of Property	Single Family Home

General Description

The applicant is requesting a permit to construct a new dock at a residence in the RS-2 zoning district. The proposed dock extends 45 feet from the existing seawall into Biscayne Bay and includes a 30,000-pound capacity boat lift, which will extend no further into the bay than the dock. A new seawall cap is proposed as well.

Applicable Code Provisions

The construction or alteration of docks, piers, etc is governed by Section 9.12 of the Village Unified Land Development Code. Section 9.12(B) reads as follows:

1. No person, firm, or corporation shall construct any docks, piers, dolphins, wharfs, pilings, boat lifts, or similar structures of any kind more than 25 feet perpendicular from the seawall or shoreline into any waterway within the corporate limits of the Village without first-obtaining a waiver from the Village Commission after a public hearing. However, the furthestmost distance seaward from the seawall or shoreline shall not exceed 75 feet including all dolphins or pilings installed beyond the seaward most line of the dock or pier but not including required rip-rap.
2. No dock, pier, wharf, dolphin, piling, or similar structure shall be erected in the Village unless the structure is set back at least 7½ feet from the lot line on each side.
3. No person, firm, or corporation shall build, extend, or make any structural alteration on any building, dock, pier, dolphin, wharf, piling, bulkhead, seawall, or similar structure within the corporate limits of the Village, or do any filling, excavating, or dredging in the waters without first obtaining a building permit to do so from the Village Building Department.
4. Application for any permit or the transfer of any permit required by this section shall be made to the

- Village Building Department in writing on forms provided therefore. The permit shall constitute an agreement by the applicant to comply with all conditions imposed upon granting of the permit. The application shall be accompanied by plans and specifications setting forth in detail the work to be done.
5. Permits for seawalls and dock structures can be approved administratively and do not require a hearing or approval of the Village Commission if:
 - a. All proposed dock structures, including but not limited to boat lifts and mooring piles, are not placed more than 25 feet measured perpendicular from the seawall.
 - b. All proposed dock structures, including but not limited to boat lifts and mooring piles, are entirely within the D-5 triangle as described in Section D5 of the Miami-Dade Public Works Manual.
 6. Applications for docks, boat lift, mooring piles or other similar structures that do not meet the administrative approval criteria of Section 6 above shall be heard by the Village Commission at a public hearing. If an applicant seeks a dock or pier length greater than 25 feet measured perpendicular from the seawall (including boat lifts, mooring piles or other structures), the Village Commission shall consider the following criteria to determine if a distance waiver shall be granted:
 - a. If the Applicant has provided to the Village notarized letter(s) of consent from adjoining riparian property owners, and
 - b. If the Village has received any letter(s) of objection from adjoining riparian property owners; and
 - c. Any other factors relevant to the specific site.
 7. The Village Commission may deny, approve, or modify the request and/or impose conditions in the permit, or granting of a distance waiver, which it deems necessary to protect the waterways of the Village in accordance with the public safety and the general welfare. The requirement of approval by the Village Commission shall not include applications for repair of existing structures.
 8. A public hearing held pursuant to this Section shall be quasi-judicial.
 9. Repair or reconstruction of existing structures shall not require approval of the Village Commission but may be approved administratively. However, the provisions of subsections 4 and 5 above shall be complied with.
 10. A safety light shall be placed on the part of the structure (either dock, mooring pile, or boat lift) which is furthest from the seawall. The light shall be illuminated from one half hour prior to sunset to one half hour after sunrise.

Staff Comments

The proposed dock extends 45 feet from the seawall and is located so that the 7.5 foot side setbacks from the property lines are met.

Since the dock and boat lift extend outside the D-5 triangle and farther than 25 feet from the seawall, the Applicant's plans must be approved by the Village Commission at a public hearing. It is the Commission's decision to grant or deny a waiver for these plans.

Miami-Dade DERM has provided pre-approval for the current plans.

In addition to the dock and lift, the proposed plans include a new seawall cap to be poured over the existing seawall cap. At this time, the applicant has not provided any documentation regarding the state of the current seawall structures.

No letters of consent or letters of objection from adjacent property owners have been submitted with the current application or submitted separately as of the writing of this report.

Staff Recommendations

Since the proposed dock meets applicable standards and staff has not received any objections to the Applicant's request, we recommend approval of the proposed plans. However, if there are any objections submitted prior to the public hearing or at the public hearing, the Village Commission should consider those objections in their decision to approve or deny the Applicant's plans. If the Commission chooses to approve the Applicant's request, the approval should be subject to the following conditions being met prior to the issuance of a building permit:

1. A safety light shall be placed on at least one of the boat lift pilings which is furthest from the seawall. The light shall be illuminated from one half hour prior to sunset to one half hour after sunrise.
2. Verification that the current seawall structures are in good repair or completion of any necessary seawall repairs.
3. Compliance with all state, federal, and environmental laws including, but not limited to, compliance with a State Programmatic General Permit as may be required by the U.S. Army Corps of Engineers. All applicable state and federal permits must be obtained before commencement of construction.
4. Building permits and related approvals must be obtained from the Building Official prior to commencement of construction.

Agenda Item 13A

5. Cost recovery charges must be paid pursuant to Section 5.12. Specifically, no new development application shall be accepted and no building permit shall be issued for the property until all application fees, cost recovery deposits and outstanding fees and fines related to the property (including fees related to any previous development proposal applications on the property), have been paid in full.
6. Authorization or issuance of a building permit by the Village does not in any way create a right on the part of the applicant to obtain a permit from a state or federal agency, and does not create liability on the part of the Village for issuance of a building permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes action that results in a violation of federal or state law.

STRUCTURAL ENGINEERING REVIEW

The gravity and wind loads for this construction have been calculated and main wind force resisting system and components and cladding of this building design do comply with the Florida Building Code 6th Ed. (2017), Section 1609 for wind pressures generated by a basic wind speed of 180 MPH.

NOTE: Cradle lengths to be 6" to 8" shorter than the center to center measurement of the pilings

PILING PENETRATION TO BE 10' INTO THE SAND BOTTOM OR 5' INTO THE ROCK STRATA.

NOTE: ALL PILING TO BE 2.5 C.C.A. TREATED 12-22-00

Not required 4/13/18

NOTE: THIS STRUCTURE WILL WITHSTAND WIND LOADS ASSOCIATED WITH WIND SPEEDS OF 170 MPH CALCULATED PER F.B.C. (5th ED.) CH16 & ASCE DOCUMENT 7-10 BOATS SHALL NOT BE STORED ON LIFTS DURING HIGH WIND EVENTS.

GENERAL NOTES

CONCRETE AND REINFORCING STEEL

1. ALL CONCRETE (EXCEPT PRECAST PILES) SHALL ATTAIN A MIN. COMPRESSIVE STRENGTH OF 5000 P.S.I. AT THE END OF 28 DAYS. FOUR (4) CONCRETE CYLINDERS SHALL BE TAKEN FOR EACH 50 CUBIC YARDS OR FRACTION THEREOF AND SHALL BE TESTED AT 3, 7 & 28 DAYS. SLUMP SHALL NOT EXCEED 4" ($\pm 1"$).
2. ALL REINFORCEMENT SHALL BE 60,000 P.S.I. MINIMUM YIELD NEW BILLET STEEL IN ACCORDANCE WITH ASTM A615 GRADE 60. ALL BAR LAPS SHALL BE A MINIMUM OF 36 BAR DIAMETERS. PLACING OF REINFORCEMENT SHALL CONFORM TO THE LATEST ACI CODE AND MANUAL OF STANDARD PRACTICE.
3. ALL CONCRETE SHALL BE PLACED WITHIN 90 MINUTES FROM BATCH TIME, AND VIBRATED AS REQUIRED BY THE ACI MANUAL OF CONCRETE PRACTICE. TEMPERATURE OF CONCRETE AT TIME OF PLACEMENT SHALL BE BETWEEN 75° AND 100° F.
4. ALL CONCRETE DECK SURFACES SHALL HAVE A LIGHT BROOM FINISH.
5. ALL EXPOSED CONCRETE EDGES SHALL BE CHAMFERED 3/4", OR AS SHOWN ON THE PLANS.

WOOD PILES:

1. WOOD DOCK PILES SHALL BE 12" DIA. PILES WITH 10 TONS MIN. BEARING CAPACITY DRIVEN TO A MINIMUM BEARING CAPACITY OF 10 TONS WITH 12' MIN PENETRATION INTO FIRM MATERIAL BELOW SILT LAYER OR REFUSAL.
2. PILES SHALL BE CUT OFF ATR ELEVATIONS SHOWN ON THE PLANS & SECTIONS.

STEEL

1. ALL BOLTS SHALL BE TYPE 316 STAINLESS STEEL.

MISCELLANEOUS

1. FASTENERS EMBEDDED INTO CONC. STRUCTURE SHALL BE ANCHORED WITH TWO PARTY EPOXY ADHESIVE ("RAWL" CHEM-FAST CARTRIDGE SYSTEM OR EQUAL). ANCHOR HOLES SHALL BE DRILLED TO 1/8" GREATER THAN THE SPECIFIED FASTENER. HOLES SHALL BE DRILLED TO MINIMUM DEPTH SHOWN ON THE PLANS, AND SHALL BE THOROUGHLY CLEANED OUT AND DRY PRIOR TO INJECTION OF EPOXY.

GENERAL

ELEVATIONS SHOWN REFER TO THE NATIONAL GEODETIC VERTICAL DATUM (NGVD) OF 1929.
 ALL DIMENSIONS ON PLANS ARE SUBJECT TO VERIFICATION IN THE FIELD. IT IS THE INTENT OF THESE PLANS TO BE IN ACCORDANCE WITH APPLICABLE CODES AND AUTHORITIES HAVING JURISDICTION ANY DISCREPANCIES BETWEEN THESE PLANS AND APPLICABLE CODES SHALL BE IMMEDIATELY BROUGHT TO THE ATTENTION OF ENGINEER BEFORE PROCEEDING WITH WORK.

RESOLUTION NO. _____

A RESOLUTION OF THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, GRANTING A WAIVER, PURSUANT TO SECTION 9.12(B) OF THE VILLAGE’S UNIFIED LAND DEVELOPMENT CODE, FOR THE CONSTRUCTION OF A DOCK WITH A BOATLIFT AT 1550 SOUTH TREASURE DRIVE, WHICH WILL EXTEND BEYOND THE 25 FOOT LIMIT; PROVIDING FINDINGS, PROVIDING FOR GRANTING THE REQUEST; PROVIDING FOR CONDITIONS; PROVIDING FOR APPEAL; PROVIDING FOR VIOLATIONS; AND PROVIDING FOR AN EFFECTIVE DATE. (INTRODUCED BY INTERIM VILLAGE MANAGER LEWIS VELKEN)

WHEREAS, Samer El Fashny has requested a Building Permit to construct a new dock and boatlift at 1700 South Treasure Drive, Treasure Island, in the RS-2, Medium Density Single-Family Zoning District, North Bay Village, Florida; and

WHEREAS, Pursuant to Section 9.12 of the Village Code, docks are to be constructed no more than 25 feet perpendicular from the seawall or shoreline into any waterway within the corporate limits of the Village, unless such construction is necessary based on federal, state, or local laws; and

WHEREAS, the structures will extend 30 feet from the existing seawall into Biscayne Bay; and

WHEREAS, the Department of Regulatory and Economic Resources (DERM) has granted preliminary approval of the dock and boatlift; and

WHEREAS, Section 9.12(B) authorizes the Village Commission to consider the approval of docks greater than 25 feet upon the following determination:

1. If Miami-Dade Department of Environmental Management has required specific depth or location criteria; and
2. If the applicant has provided to the Village notarized letter(s) of consent from adjoining riparian property owners; and
3. If the Village has received any letter(s) of objection from adjoining riparian property owners; and
4. Any other factors relevant to the specific site.

WHEREAS, Sections 9.12 of the North Bay Village Code of Ordinances require all applications for construction of docks and boatlifts to be approved by the Village Commission; and

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, AS FOLLOWS:

Section 1. Recitals.

The above recitals are true and correct and incorporated into this Resolution by this reference.

Section 2. Findings.

In accordance with Section 5.4 of the Village Code, the Village Commission, having considered the testimony and evidence in the record presented by all parties, finds that the dock and the boatlift are safe and environmentally compatible.

Section 3. Grant.

In accordance with Section 9.12(B) of the North Bay Village Code of Ordinances, a waiver is granted to construct a dock and a boatlift, which structures will extend 30 feet from the existing seawall into Biscayne Bay as requested by Samer El Fashny for the property situated at 1550 South Treasure Drive.

Section 4. Conditions.

Approval is granted with the condition that the following items are met prior to issuance of a Building Permit:

1. A safety light shall be placed on at least one of the boatlift pilings which is furthest from the seawall. The light shall be illuminated from one half hour prior to sunset to one half hour after sunrise.
2. Compliance with all state, federal, and environmental laws including, but not limited to, compliance with a State Programmatic General Permit as may be required by the U.S. Army Corps of Engineers. All applicable state and federal permits must be obtained before commencement of construction.
3. Building permits and related approvals must be obtained from the Building Official prior to commencement of construction.
4. Cost recovery charges must be paid pursuant to Section 5.12. Specifically, no new development application shall be accepted and no building permit shall be issued for the property until all application fees, cost recovery deposits and

Agenda Item 13A

90 outstanding fees and fines related to the property (including fees related to any
91 previous development proposal applications on the property), have been paid in
92 full.

93
94 5. Authorization or issuance of a building permit by the Village does not in any
95 way create a right on the part of the applicant to obtain a permit from a state or
96 federal agency, and does not create liability on the part of the Village for
97 issuance of a building permit, if the applicant fails to obtain requisite approvals
98 or fulfill the obligations imposed by a state or federal agency or undertakes action
99 that results in a violation of federal or state law.

100
101 **Section 5. Appeal.**
102
103 In accordance with Section 4.6 of the Village Code, the Applicant, or any aggrieved property
104 owner, may appeal the decision of the Village Commission by filing a Writ of Certiorari to the
105 Circuit Court of Miami-Dade County, Florida, in accordance with the Florida Rules of Appellate
106 Procedure.

107
108 **Section 6. Violation of Terms and Conditions.**
109
110 Failure to adhere to the terms and conditions contained in this Resolution in Section 4 shall be
111 considered a violation of this Resolution, and persons found violating the conditions shall be
112 subject to the penalties prescribed by the Village Code, including but not limited to the revocation
113 of any of the approval(s) granted in this Resolution.

114
115 The Applicant understands and acknowledges that it must comply with all other applicable
116 requirements of the Village Code before it may commence construction or operation, and that the
117 foregoing approval in this Resolution may be revoked by the Village at any time upon a
118 determination that the Applicant is in non-compliance with the Village Code.

119
120 **Section 7. Effective Date.**

Zoning District	RS-1
Use of Property	Single Family Home

General Description

The applicant is requesting approval from the Village Commission to construct a new dock with a 15,000 pound capacity boat lift and a floating platform at a single family residence in the RS-1 zoning district. The proposed dock and boat lift will extend 35 feet from the existing seawall into Biscayne Bay. The proposed dock and boat lift will extend outside of the D-5 triangle. There are two existing pairs of mooring piles located 48 feet from the seawall and 5 feet from the side riparian property lines which are not proposed to be removed.

Applicable Code Provisions

The construction or alteration of docks, piers, etc is governed by Section 9.12 of the Village Unified Land Development Code. Section 9.12(B) reads as follows:

1. No person, firm, or corporation shall construct any docks, piers, dolphins, wharfs, pilings, boat lifts, or similar structures of any kind more than 25 feet perpendicular from the seawall or shoreline into any waterway within the corporate limits of the Village without first-obtaining a waiver from the Village Commission after a public hearing. However, the furthestmost distance seaward from the seawall or shoreline shall not exceed 75 feet including all dolphins or pilings installed beyond the seaward most line of the dock or pier but not including required rip-rap.
2. No dock, pier, wharf, dolphin, piling, or similar structure shall be erected in the Village unless the structure is set back at least 7½ feet from the lot line on each side.
3. No person, firm, or corporation shall build, extend, or make any structural alteration on any building, dock, pier, dolphin, wharf, piling, bulkhead, seawall, or similar structure within the corporate limits of the Village, or do any filling, excavating, or dredging in the waters without first obtaining a building

Agenda Item 13B

- permit to do so from the Village Building Department.
4. Application for any permit or the transfer of any permit required by this section shall be made to the Village Building Department in writing on forms provided therefore. The permit shall constitute an agreement by the applicant to comply with all conditions imposed upon granting of the permit. The application shall be accompanied by plans and specifications setting forth in detail the work to be done.
 5. Permits for seawalls and dock structures can be approved administratively and do not require a hearing or approval of the Village Commission if:
 - a. All proposed dock structures, including but not limited to boat lifts and mooring piles, are not placed more than 25 feet measured perpendicular from the seawall.
 - b. All proposed dock structures, including but not limited to boat lifts and mooring piles, are entirely within the D-5 triangle as described in Section D5 of the Miami-Dade Public Works Manual.
 6. Applications for docks, boat lift, mooring piles or other similar structures that do not meet the administrative approval criteria of Section 6 above shall be heard by the Village Commission at a public hearing. If an applicant seeks a dock or pier length greater than 25 feet measured perpendicular from the seawall (including boat lifts, mooring piles or other structures), the Village Commission shall consider the following criteria to determine if a distance waiver shall be granted:
 - a. If the Applicant has provided to the Village notarized letter(s) of consent from adjoining riparian property owners, and
 - b. If the Village has received any letter(s) of objection from adjoining riparian property owners; and
 - c. Any other factors relevant to the specific site.
 7. The Village Commission may deny, approve, or modify the request and/or impose conditions in the permit, or granting of a distance waiver, which it deems necessary to protect the waterways of the Village in accordance with the public safety and the general welfare. The requirement of approval by the Village Commission shall not include applications for repair of existing structures.
 8. A public hearing held pursuant to this Section shall be quasi-judicial.
 9. Repair or reconstruction of existing structures shall not require approval of the Village Commission but may be approved administratively. However, the provisions of subsections 4 and 5 above shall be complied with.
 10. A safety light shall be placed on the part of the structure (either dock, mooring pile, or boat lift) which is furthest from the seawall. The light shall be illuminated from one half hour prior to sunset to one half hour after sunrise.

Agenda Item 13B

Staff Comments

The proposed dock will extend 35 feet from the seawall and will be located so that the 7.5 foot side setbacks from the property lines are met.

Since the proposed structure will extend outside the D-5 triangle and farther than 25 feet from the seawall, the Applicant's plans must be approved by the Village Commission at a public hearing. It is the Commission's decision to grant or deny a waiver for these plans.

Miami-Dade DERM has provided pre-approval of the current plans.

The applicant has provided letters of consent from owners of both properties which adjoin the applicant's property. At the time of the writing of this report, no objections to this dock have been received by staff.

The seawall at this property was replaced in 2006 and did not receive any negative comments during the 2016 Village-wide seawall inspections. The applicant has provided recent photographs of the seawall, which are attached to this report, and depict the seawall in good repair.

Staff Recommendations

The proposed dock meets the applicable standards and both of the adjacent property owners have provided letters of consent. Staff recommends approval of this dock. If the Commission chooses to approve the Applicant's request, the approval should be subject to the following conditions being met prior to the issuance of a building permit:

1. A safety light shall be placed on at least one of the boat lift pilings which is furthest from the seawall. The light shall be illuminated from one half hour prior to sunset to one half hour after sunrise.
2. Compliance with all state, federal, and environmental laws including, but not limited to, compliance with a State Programmatic General Permit as may be required by the U.S. Army Corps of Engineers. All applicable state and federal permits must be obtained before commencement of construction.
3. Building permits and related approvals must be obtained from the Building Official prior to commencement of construction.
4. Cost recovery charges must be paid pursuant to Section 5.12. Specifically, no new development application shall be accepted and no building permit shall be issued for the property until all application fees, cost recovery deposits and outstanding fees and fines related to the property (including fees related to any previous development proposal applications on the property), have been paid in full.

Agenda Item 13B

5. Authorization or issuance of a building permit by the Village does not in any way create a right on the part of the applicant to obtain a permit from a state or federal agency, and does not create liability on the part of the Village for issuance of a building permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes action that results in a violation of federal or state law.

RESOLUTION NO. _____

A RESOLUTION OF THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, GRANTING A WAIVER, PURSUANT TO SECTION 9.12(B) OF THE VILLAGE’S UNIFIED LAND DEVELOPMENT CODE, FOR THE CONSTRUCTION OF A DOCK WITH A BOATLIFT AT 7610 MIAMI VIEW DRIVE, WHICH WILL EXTEND BEYOND THE 25 FOOT LIMIT; PROVIDING FINDINGS, PROVIDING FOR GRANTING THE REQUEST; PROVIDING FOR CONDITIONS; PROVIDING FOR APPEAL; PROVIDING FOR VIOLATIONS; AND PROVIDING FOR AN EFFECTIVE DATE. (INTRODUCED BY INTERIM VILLAGE MANAGER LEWIS VELKEN)

WHEREAS, Oliver Pfeffer has requested a Building Permit to construct a new dock and boatlift at 7610 Miami View Drive, North Bay Island, in the RS-1, Medium Density Single-Family Zoning District, North Bay Village, Florida; and

WHEREAS, Pursuant to Section 9.12 of the Village Code, docks are to be constructed no more than 25 feet perpendicular from the seawall or shoreline into any waterway within the corporate limits of the Village, unless such construction is necessary based on federal, state, or local laws; and

WHEREAS, the structures will extend 30 feet from the existing seawall into Biscayne Bay; and

WHEREAS, the Department of Regulatory and Economic Resources (DERM) has granted preliminary approval of the dock and boatlift; and

WHEREAS, Section 9.12(B) authorizes the Village Commission to consider the approval of docks greater than 25 feet upon the following determination:

1. If Miami-Dade Department of Environmental Management has required specific depth or location criteria; and
2. If the applicant has provided to the Village notarized letter(s) of consent from adjoining riparian property owners; and
3. If the Village has received any letter(s) of objection from adjoining riparian property owners; and
4. Any other factors relevant to the specific site.

WHEREAS, Sections 9.12 of the North Bay Village Code of Ordinances require all applications for construction of docks and boatlifts to be approved by the Village Commission; and

WHEREAS, in accordance with Section 9.12 of the Village Code, a public hearing by the Village Commission was noticed for November 13, at 6:30 p.m. at Village Hall, 1666 Kennedy Causeway, Suite 101, North Bay Village, Florida 33141 and all interested parties have had the opportunity to address their comments to the Village Commission.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, AS FOLLOWS:

Section 1. Recitals.

The above recitals are true and correct and incorporated into this Resolution by this reference.

Section 2. Findings.

In accordance with Section 5.4 of the Village Code, the Village Commission, having considered the testimony and evidence in the record presented by all parties, finds that the dock and the boatlift are safe and environmentally compatible.

Section 3. Grant.

In accordance with Section 9.12(B) of the North Bay Village Code of Ordinances, a waiver is granted to construct a dock and a boatlift, which structures will extend 30 feet from the existing seawall into Biscayne Bay as requested by Oliver Pfeffer for the property situated at 7610 Miami View Drive.

Section 4. Conditions.

Approval is granted with the condition that the following items are met prior to issuance of a Building Permit:

1. A safety light shall be placed on at least one of the boatlift pilings which is furthest from the seawall. The light shall be illuminated from one half hour prior to sunset to one half hour after sunrise.
2. Compliance with all state, federal, and environmental laws including, but not limited to, compliance with a State Programmatic General Permit as may be required by the U.S. Army Corps of Engineers. All applicable state and federal permits must be obtained before commencement of construction.
3. Building permits and related approvals must be obtained from the Building Official prior to commencement of construction.
4. Cost recovery charges must be paid pursuant to Section 5.12. Specifically, no new development application shall be accepted and no building permit shall be issued for the property until all application fees, cost recovery deposits and

112 subject to the penalties prescribed by the Village Code, including but not limited to the revocation
113 of any of the approval(s) granted in this Resolution.
114

115 The Applicant understands and acknowledges that it must comply with all other applicable
116 requirements of the Village Code before it may commence construction or operation, and that the
117 foregoing approval in this Resolution may be revoked by the Village at any time upon a
118 determination that the Applicant is in non-compliance with the Village Code.

Zoning District	RM-70
Use of Property	Condominium with Marina

General Description

The applicant is requesting a permit to install a new boat lift at an existing dock at an existing Condominium property in the RM-70 zoning district. The existing docks at the site extend 35 feet into the bay from the seawall and existing mooring piles are located as far as 50 feet from the seawall. The proposed 24,000 pound boat lift extends an additional 20 feet from the existing dock for a total proposed structure length of 55 into Biscayne Bay from the seawall.

Applicable Code Provisions

The construction or alteration of docks, piers, etc is governed by Section 9.12 of the Village Unified Land Development Code. Section 9.12(B) reads as follows:

1. No person, firm, or corporation shall construct any docks, piers, dolphins, wharfs, pilings, boat lifts, or similar structures of any kind more than 25 feet perpendicular from the seawall or shoreline into any waterway within the corporate limits of the Village without first-obtaining a waiver from the Village Commission after a public hearing. However, the furthestmost distance seaward from the seawall or shoreline shall not exceed 75 feet including all dolphins or pilings installed beyond the seaward most line of the dock or pier but not including required rip-rap.
2. No dock, pier, wharf, dolphin, piling, or similar structure shall be erected in the Village unless the structure is set back at least 7½ feet from the lot line on each side.
3. No person, firm, or corporation shall build, extend, or make any structural alteration on any building, dock, pier, dolphin, wharf, piling, bulkhead, seawall, or similar structure within the corporate limits of

Agenda Item 13C

- the Village, or do any filling, excavating, or dredging in the waters without first obtaining a building permit to do so from the Village Building Department.
4. Application for any permit or the transfer of any permit required by this section shall be made to the Village Building Department in writing on forms provided therefore. The permit shall constitute an agreement by the applicant to comply with all conditions imposed upon granting of the permit. The application shall be accompanied by plans and specifications setting forth in detail the work to be done.
 5. Permits for seawalls and dock structures can be approved administratively and do not require a hearing or approval of the Village Commission if:
 - a. All proposed dock structures, including but not limited to boat lifts and mooring piles, are not placed more than 25 feet measured perpendicular from the seawall.
 - b. All proposed dock structures, including but not limited to boat lifts and mooring piles, are entirely within the D-5 triangle as described in Section D5 of the Miami-Dade Public Works Manual.
 6. Applications for docks, boat lift, mooring piles or other similar structures that do not meet the administrative approval criteria of Section 6 above shall be heard by the Village Commission at a public hearing. If an applicant seeks a dock or pier length greater than 25 feet measured perpendicular from the seawall (including boat lifts, mooring piles or other structures), the Village Commission shall consider the following criteria to determine if a distance waiver shall be granted:
 - a. If the Applicant has provided to the Village notarized letter(s) of consent from adjoining riparian property owners, and
 - b. If the Village has received any letter(s) of objection from adjoining riparian property owners; and
 - c. Any other factors relevant to the specific site.
 7. The Village Commission may deny, approve, or modify the request and/or impose conditions in the permit, or granting of a distance waiver, which it deems necessary to protect the waterways of the Village in accordance with the public safety and the general welfare. The requirement of approval by the Village Commission shall not include applications for repair of existing structures.
 8. A public hearing held pursuant to this Section shall be quasi-judicial.
 9. Repair or reconstruction of existing structures shall not require approval of the Village Commission but may be approved administratively. However, the provisions of subsections 4 and 5 above shall be complied with.
 10. A safety light shall be placed on the part of the structure (either dock, mooring pile, or boat lift) which is furthest from the seawall. The light shall be illuminated from one half hour prior to sunset to one half hour after sunrise.

Staff Comments

The proposed structure extends 55 feet from the seawall and is located so that the 7.5 foot side setbacks from the property lines are met.

Since the since the proposed structures extend farther than 25 feet from the seawall, the Applicant's plans must be approved by the Village Commission at a public hearing. It is the Commission's decision to grant or deny a waiver for these plans.

Agenda Item 13C

Miami-Dade DERM has provided pre-approval of the current plans.

A village seawall inspection was performed for all waterfront properties in the Village in 2016. Notes from that inspection indicate that the seawall at this property had exposed rebar and spalling concrete. At the time of this report, the applicant has not provided any additional information regarding the state of the seawall.

No letters of consent or letters of objection from adjacent property owners have been submitted with the current application, or submitted separately as of the writing of this report.

Finally, the subject property is governed by two associations, one for the condominiums, and one for the docks. As of the writing of this report, no letter of authorization from either association has been submitted.

Staff Recommendations

Due to the lack of authorization from the dock association and the lack of knowledge regarding the state of the seawall, staff recommends that this request be deferred until such time as both issues are satisfactorily resolved. However, at such time as the Commission chooses to approve the Applicant's request, the approval should be subject to the following conditions being met prior to the issuance of a building permit:

1. A safety light shall be placed on at least one of the boat lift pilings which is furthest from the seawall. The light shall be illuminated from one half hour prior to sunset to one half hour after sunrise.
2. Verification that the current seawall structures are in good repair or completion of any necessary seawall repairs.
3. Authorization from the dock association for this work to be performed.
4. Compliance with all state, federal, and environmental laws including, but not limited to, compliance with a State Programmatic General Permit as may be required by the U.S. Army Corps of Engineers. All applicable state and federal permits must be obtained before commencement of construction.
5. Building permits and related approvals must be obtained from the Building Official prior to commencement of construction.
6. Cost recovery charges must be paid pursuant to Section 5.12. Specifically, no new development application shall be accepted and no building permit shall be issued for the property until all application fees, cost recovery deposits and outstanding fees and fines related to the property (including fees related to any previous development

Agenda Item 13C

proposal applications on the property), have been paid in full.

7. Authorization or issuance of a building permit by the Village does not in any way create a right on the part of the applicant to obtain a permit from a state or federal agency, and does not create liability on the part of the Village for issuance of a building permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes action that results in a violation of federal or state law.

RESOLUTION NO. _____

A RESOLUTION OF THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, GRANTING A WAIVER, PURSUANT TO SECTION 9.12(B) OF THE VILLAGE’S UNIFIED LAND DEVELOPMENT CODE, FOR THE CONSTRUCTION OF A DOCK WITH A BOATLIFT AT 7929 WEST DRIVE, WHICH WILL EXTEND BEYOND THE 25 FOOT LIMIT; PROVIDING FINDINGS, PROVIDING FOR GRANTING THE REQUEST; PROVIDING FOR CONDITIONS; PROVIDING FOR APPEAL; PROVIDING FOR VIOLATIONS; AND PROVIDING FOR AN EFFECTIVE DATE. (INTRODUCED BY INTERIM VILLAGE MANAGER LEWIS VELKEN)

WHEREAS, Felipe Lata has requested a Building Permit to construct a new dock and boatlift at 1700 South Treasure Drive, Treasure Island, in the RS-2, Medium Density Single-Family Zoning District, North Bay Village, Florida; and

WHEREAS, Pursuant to Section 9.12 of the Village Code, docks are to be constructed no more than 25 feet perpendicular from the seawall or shoreline into any waterway within the corporate limits of the Village, unless such construction is necessary based on federal, state, or local laws; and

WHEREAS, the structures will extend 30 feet from the existing seawall into Biscayne Bay; and

WHEREAS, the Department of Regulatory and Economic Resources (DERM) has granted preliminary approval of the dock and boatlift; and

WHEREAS, Section 9.12(B) authorizes the Village Commission to consider the approval of docks greater than 25 feet upon the following determination:

1. If Miami-Dade Department of Environmental Management has required specific depth or location criteria; and
2. If the applicant has provided to the Village notarized letter(s) of consent from adjoining riparian property owners; and
3. If the Village has received any letter(s) of objection from adjoining riparian property owners; and
4. Any other factors relevant to the specific site.

WHEREAS, Sections 9.12 of the North Bay Village Code of Ordinances require all applications for construction of docks and boatlifts to be approved by the Village Commission; and

WHEREAS, in accordance with Section 9.12 of the Village Code, a public hearing by the Village Commission was noticed for November 13, at 6:30 p.m. at Village Hall, 1666 Kennedy Causeway, Suite 101, North Bay Village, Florida 33141 and all interested parties have had the opportunity to address their comments to the Village Commission.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, AS FOLLOWS:

Section 1. Recitals.

The above recitals are true and correct and incorporated into this Resolution by this reference.

Section 2. Findings.

In accordance with Section 5.4 of the Village Code, the Village Commission, having considered the testimony and evidence in the record presented by all parties, finds that the dock and the boatlift are safe and environmentally compatible.

Section 3. Grant.

In accordance with Section 9.12(B) of the North Bay Village Code of Ordinances, a waiver is granted to construct a dock and a boatlift, which structures will extend 30 feet from the existing seawall into Biscayne Bay as requested by Felipe Lata for the property situated at 7929 West Drive.

Section 4. Conditions.

Approval is granted with the condition that the following items are met prior to issuance of a Building Permit:

1. A safety light shall be placed on at least one of the boatlift pilings which is furthest from the seawall. The light shall be illuminated from one half hour prior to sunset to one half hour after sunrise.
2. Compliance with all state, federal, and environmental laws including, but not limited to, compliance with a State Programmatic General Permit as may be required by the U.S. Army Corps of Engineers. All applicable state and federal permits must be obtained before commencement of construction.
3. Building permits and related approvals must be obtained from the Building Official prior to commencement of construction.
4. Cost recovery charges must be paid pursuant to Section 5.12. Specifically, no new development application shall be accepted and no building permit shall be issued for the property until all application fees, cost recovery deposits and

Agenda Item 13C

90 outstanding fees and fines related to the property (including fees related to any
91 previous development proposal applications on the property), have been paid in
92 full.
93

- 94 5. Authorization or issuance of a building permit by the Village does not in any
95 way create a right on the part of the applicant to obtain a permit from a state or
96 federal agency, and does not create liability on the part of the Village for
97 issuance of a building permit, if the applicant fails to obtain requisite approvals
98 or fulfill the obligations imposed by a state or federal agency or undertakes action
99 that results in a violation of federal or state law.

100
101 **Section 5. Appeal.**
102

103 In accordance with Section 4.6 of the Village Code, the Applicant, or any aggrieved property
104 owner, may appeal the decision of the Village Commission by filing a Writ of Certiorari to the
105 Circuit Court of Miami-Dade County, Florida, in accordance with the Florida Rules of Appellate
106 Procedure.
107

108 **Section 6. Violation of Terms and Conditions.**
109

110 Failure to adhere to the terms and conditions contained in this Resolution in Section 4 shall be
111 considered a violation of this Resolution, and persons found violating the conditions shall be
112 subject to the penalties prescribed by the Village Code, including but not limited to the revocation
113 of any of the approval(s) granted in this Resolution.
114

115 The Applicant understands and acknowledges that it must comply with all other applicable
116 requirements of the Village Code before it may commence construction or operation, and that the
117 foregoing approval in this Resolution may be revoked by the Village at any time upon a
118 determination that the Applicant is in non-compliance with the Village Code.
119

120 **Section 7. Effective Date.**
121

122 This Resolution shall become effective upon its adoption.

Description of Requests

The applicant is requesting site plan approval, pursuant to Section 5.8 of the North Bay Village Code, for development of a 9,215 square foot commercial restaurant structure in the CG (General Commercial) zoning district.

Adequacy of Public Facilities

Water & Sewer

Water and Sewer utilities will continue to be provided by Miami-Dade County. This applicant is proposing to redevelop an existing restaurant, reducing the total square feet of the structure and the reducing the customer service area. The intensity of use is not increasing. The existing water and sewer facilities should not need expansion.

Traffic

The existing restaurant has 5,375 square feet of customer service area and 77 parking spaces. The proposed restaurant has 3,961 square feet of customer service area and 61 parking spaces. The intensity of use is not increasing, the number of parking spaces is not increasing, and the number vehicle trips generated by the proposed redevelopment should not be significantly greater than the existing restaurant. For this reason, the applicant has requested an exemption from the requirement to conduct a traffic impact study. Staff agrees that a traffic impact study is not warranted for this project.

Agenda Item 14A - REVISED

Planning & Zoning Board Recommendation

The North Bay Village Planning and Zoning Board recommended approval of the site plan with the staff recommended conditions by a vote of 4-0 on September 4, 2018.

Agenda Item 14A - REVISED

Staff Recommendation

After the Village Planning & Zoning Board public hearing, the Miami-Dade Shoreline Development Review staff contacted Village staff with concerns regarding this site plan and compliance with the County's Shoreline regulations. Their comments related to setbacks and the lack of a complete public shoreline walkway.

However, since that time, the applicant was worked with the Shoreline review staff and provided revised plans that include a public baywalk. Though the official Shoreline Review approval has not yet been granted, we've received communication from the Shoreline staff that they will be recommending approval of the current plans.

Village Zoning staff is now recommending approval of the applicant's proposed site plan with the following conditions being met prior to the issuance of a building permit:

- 1) Submittal of a vegetative plan which meets Miami-Dade Chapter 18A requirements
- 2) Submittal of an irrigation plan which meets Miami-Dade Chapter 18A requirements
- 3) Submittal of a landscape plan which meets Miami-Dade Chapter 18A requirements
- 4) Site plan approval from Miami-Dade Shoreline Review Committee.
- 5) Payment of any applicable impact fees.
- 6) Cost recovery charges must be paid pursuant to Village Code Section 5.12. Specifically, no new development application shall be accepted, and no building permit or certificate of occupancy shall be issued for the property until all application fees, cost recovery deposits and outstanding fees and fines related to the property (including fees related to any previous development proposal applications on the property), have been paid in full.
- 7) Building permits and related approvals must be obtained from the Building Official prior to commencement of construction.
- 8) Approval of this site plan does not in any way create a right on the part of the applicant to obtain a permit from a state or federal agency, and does not create liability on the part of the Village for approval if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes action that result in a violation of federal or state law.
- 9) All applicable state and federal permits must be obtained before commencement of construction.
- 10) Applicant shall not lease or sell parking spaces or charge for parking.
- 11) Staging of construction materials shall not occur on the public right-of-way.

LETTER FROM MIAMI DADE SHORELINE REVIEW STAFF

Staff and planners associated with SDRC Committee have reviewed your last proposal and it has been found consistent at least with one of the basic requirements established by Chapter 33-D – Shoreline Ordinance which is the provision of a 72” continuous walkway along the shoreline. However, there is a pending issue to resolve, the request of maintain pervious surface over the bay walk; we consider a conflict the request of a pedestrian walkway and have it without being hard surfaced; staff suggests the use of a permeable paving (very often used in landscaping design), or find an alternative as “aqua rock” products ; there is an ample range of products that compliance with the “pervious” requirement without sacrifice the hardscape conditions. (see attached samples).

If you agree to incorporate the innovative permeable covers-pavers, you should move forward with your SDRC application; please proceed to submit your application form together with the plans at your best convenience.

RESOLUTION NO. _____

A RESOLUTION OF THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, APPROVING A REQUEST BY BENIHANA NATIONAL OF FLORIDA, CORP. FOR SITE PLAN APPROVAL, PURSUANT TO SECTION 5.4(C) OF THE NORTH BAY VILLAGE UNIFIED LAND DEVELOPMENT CODE FOR CONSTRUCTION OF A NEW 9,215 SQUARE FOOT, 34 FOOT HIGH COMMERCIAL STRUCTURE (SINGLE STORY RESTAURANT) AT 1665 79TH STREET CAUSEWAY, TREASURE ISLAND, PROVIDING FOR GRANTING THE REQUEST; PROVIDING FOR CONDITIONS; PROVIDING FOR APPEAL; PROVIDING FOR VIOLATION OF CONDITIONS; AND PROVIDING FOR AN EFFECTIVE DATE. *(INTRODUCED BY INTERIM VILLAGE MANAGER LEWIS VELKEN)*

WHEREAS, pursuant to Section 5.4 (C) of the North Bay Village Unified Land Development Code, Benihana National of Florida, Corp. has applied to North Bay Village for Site Plan Approval to construct a 9,215 square foot, 34 foot high commercial structure at 1665 79th Street Causeway, Treasure Island, North Bay Village, Florida; and

WHEREAS, Section 5.4 (C) of North Bay Village Unified Land Development Code set forth the Authority of the Village Commission to consider and act upon an application for Site Plan approval;

WHEREAS, in accordance with Section 5.4 (C) of the Village Code, a public hearing by the Planning and Zoning Board was noticed for September 4, 2018 at 7:30 P.M. at Village Hall, 1666 Kennedy Causeway, #101, North Bay Village, Florida 33141 and the Planning and Zoning Board reviewed the application, conducted a public hearing and recommended approval of the request with conditions; and

WHEREAS, in accordance with Section 5.4 (C) of the Village Code, a public hearing by the Village Commission was noticed for October 9, 2018 at 6:30 P.M. at Village Hall, 1666 Kennedy Causeway, #101, North Bay Village, Florida 33141 and all interested parties have had the opportunity to address their comments to the Village Commission; and

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, AS FOLLOWS:

Section 1. Recitals. The above Recitals are true and correct and incorporated herein by this reference.

Section 2. Finding. In accordance with Section 5.4 (C) of the Village Code, the Village Commission finds that the proposed Site Plan for construction of a 9,215 square foot, 34 foot high commercial structure at existing commercial property:

Agenda Item 14A - REVISED

- 49 A. Protects against and minimizes any undesirable effects upon contiguous and
50 nearby property.
51
52 B. Provides sufficient off-street parking and loading facilities so that it will not be
53 necessary to use the streets in the vicinity for this purpose.
54
55 C. Provides sufficient setbacks, open space, and landscaping in order to protect and
56 enhance the appearance and character of the neighborhood.
57
58 D. Can be accommodated by existing community roads, services, and utilities, or
59 the necessary additions are provided by the developer.
60

61 **Section 3. Grant.** The Site Plan to construct a 9,215 square foot, 34 foot high
62 commercial structure at 1665 79th Street Causeway, North Bay Village, Florida, as
63 attached and incorporated as Exhibit "A" entitled Benihana 1665 79th Street Causeway,
64 North Bay Village, FL 33141 is hereby approved.
65

66 **Section 4. Conditions.** The Site Plan is approved with the conditions that
67 the following items are met prior to issuance of a Building Permits:
68

- 69 1. Submittal of a vegetative plan which meets Miami-Dade Chapter 18A
70 requirements.
71
72 2. Submittal of an irrigation plan which meets Miami-Dade Chapter 18A
73 requirements.
74
75 3. Submittal of a landscape plan which meets Miami-Dade Chapter 18A
76 requirements.
77
78 4. Site plan approval from Miami-Dade Shoreline Review Committee.
79
80 5. Payment of any applicable impact fees.
81
82 6. Cost recovery charges must be paid pursuant to Village Code Section 5.12.
83 Specifically, no new development application shall be accepted and no building
84 permit or certificate of occupancy shall be issued for the property until all
85 application fees, cost recovery deposits and outstanding fees and fines related to
86 the property (including fees related to any previous development proposal
87 applications on the property), have been paid in full.
88
89 7. Building permits and related approvals must be obtained from the Building
90 Official prior to commencement of construction.
91
92 8. Approval of this site plan does not in any way create a right on the part of the
93 applicant to obtain a permit from a state or federal agency, and does not create
94 liability on the part of the Village for approval if the applicant fails to obtain
95 requisite approvals or fulfill the obligations imposed by a state or federal agency
96 or undertakes action that result in a violation of federal or state law.

Agenda Item 14A - REVISED

90 9. All applicable state and federal permits must be obtained before commencement
91 of construction.

92 10. Applicant shall not lease or sell parking spaces or charge for parking.

93 11. Staging of construction materials shall occur off-site, and not on the public right-
94 of-way.

95 **Section 5. Appeal.** In accordance with Section 10.41 of the Village Code,
96 the Applicant, or any aggrieved property owner, may appeal the decision of the Village
97 Commission by filing a Writ of Certorari to the Circuit Court of Miami-Dade County,
98 Florida, in accordance with the Florida Rules of Appellate Procedure.

99
100 **Section 6. Violation of Conditions.** Failure to adhere to the terms and
101 conditions contained in this Resolution in Section 4, if any, shall be considered a violation of
102 this Resolution and persons found violating the conditions shall be subject to the penalties
103 prescribed by the Village Code, including but not limited to, the revocation of any of the
104 approval(s) granted in this Resolution. The Applicant understands and acknowledges that
105 it must comply with all other applicable requirements of the Village Code before it may
106 commence construction or operation, and that the foregoing approval in this Resolution
107 may be revoked by the Village at any time upon a determination that the Applicant is in
108 non-compliance with the Village Code.

109
110 **Section 7. Effective Date.** This Resolution shall become effective upon its
111 adoption.

Description of Request

The applicant is requesting a sign variance, pursuant to Section 11.10 of the North Bay Village Unified Land Development Code, to allow façade signs on the south, east, and north sides of the proposed restaurant, where Section 11.9(C) allows façade signs only on the bay frontage and one other frontage.

Required Findings

Village Code Section 11.10 recognizes that there might be instances in which relief from the strict requirements of the sign ordinance would result in improved planning or zoning, and would benefit the community. The standards for granting a sign variance are:

- (A) The sign variance must relate to a particular piece of land;

Applicant Response: None.

Staff Comments: The applicant has requested this sign variance in conjunction with the redevelopment of a Benihana restaurant at 1665 Kennedy Causeway.

- (B) The sign variance can be granted without substantial detriment to the public good;

Applicant Response: Approving the sign will not provide any detriment to the public good in that it is minimal in size and limited to a single corporate color. The east side of the proposed building faces the parking lot and an adjacent 2 story

Agenda Item 14B

building with no windows facing the sign

Staff Comments: The sign code places limits on the maximum number of signs allowed per building and per use, as an overabundance of signage can have a detrimental effect on community aesthetics and increase the number of distractions for automobile drivers.

- (C) The benefits of the deviation would outweigh any detriment; and

Applicant Response: None.

Staff Comments: Additional signage provides a benefit to the applicant, as additional advertisement can increase public awareness of the restaurant. However, it is unclear what public benefits would be provided by an additional sign. Whether these private benefits outweigh the public detriments (as described in subsection B above) is a decision that the Village Planning & Zoning Board and Village Commission must decide.

- (D) The variance would not substantially impair the intent or purpose of the Village's Comprehensive Plan and/or Zoning Ordinance.

Applicant Response: Approving the variance does not substantially impair the intent or purpose to the Villages code.

Staff Comments: Agreed.

Planning & Zoning Board Recommendation

The North Bay Village Planning and Zoning Board recommended approval of this sign variance request by a vote of 4-0 on September 4, 2018.

Staff Recommendation

Staff finds that the requested variance meets the requirements of subsections A and D of Section 11.10. However, subsections B and C allow for the reviewing bodies to weigh the likely detriments and benefits of the proposed signage before deciding to approve or deny the request. Consequently, if the Commission finds that the benefits of the proposed signage outweigh the detriments, then staff recommends approval of the requested sign variance to allow a façade sign on the east side of the proposed restaurant structure, where it is prohibited by North Bay Village Code.

RESOLUTION NO. _____

A RESOLUTION OF THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, APPROVING A REQUEST BY BENIHANA NATIONAL OF FLORIDA, CORP. OWNER OF THE BUSINESS ESTABLISHMENT TO BE LOCATED AT 1665 79TH STREET CAUSEWAY, TREASURE ISLAND, NORTH BAY VILLAGE, FLORIDA FOR VARIANCE PURSUANT TO SECTION 11.10 OF THE VILLAGE UNIFIED LAND DEVELOPMENT CODE TO ALLOW FAÇADE SIGNS ON THE SOUTH, EAST, AND NORTH SIDES OF THE PROPOSED RESTAURANT, WHERE SECTION 11.9 (C) ALLOWS FAÇADE SIGNS ONLY ON THE BAY FRONTAGE AND ONE OTHER FRONTAGE; PROVIDING FOR CONDITIONS; PROVIDING FOR APPEAL; PROVIDING FOR VIOLATION OF CONDITIONS; AND PROVIDING FOR AN EFFECTIVE DATE. (INTRODUCED BY INTERIM VILLAGE MANAGER LEWIS VELKEN)

WHEREAS, pursuant to Section 11.10 of the North Bay Village Unified Land Development Code, Benihana National of Florida, Corp. has applied to North Bay Village for Variance to allow façade signs on the south, east, and north sides of the proposed restaurant; and

WHEREAS, Section 11.9(C) allows façade signs only on the bay frontage and one other frontage; and

WHEREAS, in accordance with Section 4.4 of the Village Code, a public hearing by the Planning and Zoning Board was noticed for September 4, 2018 at 7:30 P.M. at Village Hall, 1666 Kennedy Causeway, #101, North Bay Village, Florida 33141 and the Planning and Zoning Board reviewed the application, conducted a public hearing and recommended approval of the request with conditions; and

WHEREAS, in accordance with Section 4.4 of the Village Code, a public hearing by the Village Commission was noticed for October 9, 2018 at 6:30 P.M. at Village Hall, 1666 Kennedy Causeway, #101, North Bay Village, Florida 33141 and all interested parties have had the opportunity to address their comments to the Village Commission; and

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF NORTH BAY VILLAGE, FLORIDA, AS FOLLOWS:

Section 1. Recitals. The above Recitals are true and correct and incorporated herein by this reference.

Agenda Item 14B

47 **Section 2. Finding.** In accordance with Section 11.10 of the Village Code,
48 the Village Commission finds that the proposed Façade Signs:

- 49
- 50 A. Relates to the property located 1665 Kennedy Causeway.
- 51
- 52 B. Sign variance will not provide any detriment to the public good.
- 53
- 54 C. Sign variance provides benefit to the applicant as additional advertisement and
- 55 increases public awareness.
- 56
- 57 D. Variance does not substantially impair the intent or purpose of the Village’s
- 58 Comprehensive Plan and/or Zoning Ordinance.
- 59

60 **Section 3. Grant.** The Façade sign at 1665 79th Street Causeway, North Bay
61 Village, Florida, as attached and incorporated as Exhibit “A” entitled “Benihana 1665
62 79th Street Causeway, North Bay Village, FL 33141” is hereby approved.

63

64 **Section 4. Appeal.** In accordance with Section 10.41 of the Village Code, the
65 Applicant, or any aggrieved property owner, may appeal the decision of the Village
66 Commission by filing a Writ of Certorari to the Circuit Court of Miami-Dade County,
67 Florida, in accordance with the Florida Rules of Appellate Procedure.

68

69 **Section 5. Effective Date.** This Resolution shall become effective upon its
70 adoption.

Agenda Item 15B - Animal Control

My name is Maria de la Cruz Marquez and I have been a member of this wonderful community for the past 4 years.

I'm was also an Animal control board member for the past 2 years.

I would really like to reapply for my board position since I'm very passionate about animals and I'm sure my input can be very helpful for the city.

I have a lot of experience in rescues. I myself fix more than 50 stray cats in the island in the past months.

I also have experience with several rescues and I have volunteer at MDAC and also at the Humane society.

I would really love to have the opportunity to join this great board again so we can keep up the good work and to be able to give our residents some solutions.

I worked in the marketing and commercial departments of L'Oreal Paris and other high end cosmetics companies.
 I created and implemented marketing plans and training manuals to be used worldwide.
 I traveled throughout the Americas evaluating retail sell thru, conducting presentations, trainings, and hosting press conferences.
 After, I worked for attorneys as a legal secretary & office Manager handling all aspects of business operations including but not limited to, client relations, accounting, training of staff, scheduling and legal research. I was the Animal Control Advisory Board Chair and a member of the Beautification board

PLEASE COMMENT ON HOW YOU THINK YOUR BACKGROUND QUALIFIES YOU TO SERVE ON THIS BOARD AND WHAT YOU MAY BE ABLE TO CONTRIBUTE: (use additional page if necessary)

I moved to NBV because I felt that it had great potential for growth. I envision a beautiful, clean village that also evokes the feeling of a seaside town. Or in our case, a bayside town. I am able to work well in a group setting and take the initiative in finding solutions to problems. I was the ACAB chair and had success in working with a group of members whos personal agendas were their prorty and not what was best for the village.
 Yet, I was able to lead us in a direction where we found solutions and compromise in order to reach our goals.

PLEASE GIVE A SUMMARY OF YOUR WORK AND CIVIC SERVICE EXPERIENCE:

I served on the Animal Control Advisory Board when it was first established. During my time served on the board, I assisted in the following initiatives - taking stock of the number and location of community cats in North Bay Village and updating these numbers monthly to accommodate fluctuations in the population, developing an informational brochure with the intent of getting the community involved in the TNR program, helped develop the language of the ordinance designed to curb problem feeding, assisted in the Village's first Pet & Critter Day, helped development the content for a quarterly newsletter alerting the community about the functions of the Animal Control Advisory Board.

PLEASE COMMENT ON HOW YOU THINK YOUR BACKGROUND QUALIFIES YOU TO SERVE ON THIS BOARD AND WHAT YOU MAY BE ABLE TO CONTRIBUTE: (use additional page if necessary)

Besides my experience previously serving on the board, I have been involved in various cat rescue organizations and have TNR-ed dozens of community cats since moving to Florida 5 years ago. I know the nuances of managing a community cat population and have the temperament to effectively interface with constituents.

Summary of work and civil service experience

In 1991, I became Head of Division for Environment and Energy for the International Chamber of Commerce in Paris where I participated in the negotiations of the 1992 UN Earth Summit, the UN Conventions on Climate Change, Biodiversity and Hazardous Wastes and the ISO 14000 international standards for environmental management systems.

In 1997, I became an international civil servant when I join the United Nations Secretariat where I served for 20 years. Among other responsibilities, I developed the first multi-stakeholder dialogue (governments, private sector and NGOs) in the Commission for Sustainable Development and worked for Secretary-General Kofi Annan in the creation the UN Global Compact on corporate social responsibility which included most of the major global corporations, as well as small and medium size enterprises world-wide.

I earned a BA and MA from the University of Pennsylvania and MPhil from Columbia University.

How my background qualifies me to serve on the Business Development and/or Environment and Rising Sea level boards:

In the past twenty years, our society has become aware of the need to ensure that our continued development is sustainable and does not have negative effects on the wellbeing of individuals and the environment of the planet. My career has been dedicated to this concept of sustainable development and I worked with governments, NGOS and the private sector to achieve this goal. As a small community, North Bay Village is now facing the daunting challenge of securing investment and new businesses, while also addressing the real risks posed by climate change such as rising sea levels and increased occurrence of extreme weather conditions such as hurricanes and tropical storms. My experience will allow me to contribute to the process of identifying and analyzing what are the main risks to our village, and then to implement projects to address them working with other municipalities and government agencies when needed. Having worked with companies both small and large, I understand how to help bridge their business needs and interests, and the interests of the residents of our village.

Please give a summary of your work and civic service experience:

I have a Bachelor of Arts from the University of Miami and a Master of Arts from the State University of New York – Stony Brook. I have spent the last 26 years working with law firms mainly in the civil, business, and complex litigation departments. My current title is Senior Paralegal and I participate in all aspects of our cases from inception, discovery phase, motion practice, research, and ultimately settlement or trial. I have attended hearings, depositions, and trials in Atlanta, Boca Raton, Chicago, Dearborn, Miami, Naples, New York City, Orlando, Philadelphia, Tampa, and San Juan - Puerto Rico.

My current supervisor of 8 ½ years, Nina Stillman Mandel, will be happy to serve as a professional reference. You can contact her at (305) 374-7771.

For the last 8 years I've been active in the South Florida Recovery Community. In addition to service as a Sponsor/Mentor to individuals in recovery, I have been a member of Lambda-Miami Dade from 2010 to today and served on the Board of Directors in 2011 and 2012. The mission of Lambda-Miami Dade is to run a clubhouse for the purpose of running 12 Step Meetings and sober events for the LGBTQ community and its allies. I have also served in various capacities with the Florida Roundup – a conference which is attended by 800 to 1000 people which focus is on recovery. In 2013 I was on the program committee; 2015 was on the entertainment committee; in 2016 was the recording secretary; and in 2018 was the corresponding secretary.

Please comments on how you think your background qualifies you to serve on this board and what you may be able to contribute.

My work experience is an excellent primer to serve on either board because organization, meeting deadlines, working within specific parameters including legal ones, working with others, and staying cost conscience is essential in my field. We have clients to answer to and they want the work to be performed effectively, timely, and at a reasonable cost.

My service work has also been enhanced by my work experience because many of the tools I use professionally apply there as well. Whether I am chairing a meeting of 20 people, speaking before a group of 200, or welcoming 700 people to an event. I prepare for all the same way because ultimately, I want everyone I interact with to leave with a positive message.

For the last year I have been attending our village halls meetings and workshops. I am ready to take the next step on get on a board.

Please give a summary of your work and civic service experience:

I have a Bachelor of Arts from the University of Miami and a Master of Arts from the State University of New York – Stony Brook. I have spent the last 26 years working with law firms mainly in the civil, business, and complex litigation departments. My current title is Senior Paralegal and I participate in all aspects of our cases from inception, discovery phase, motion practice, research, and ultimately settlement or trial. I have attended hearings, depositions, and trials in Atlanta, Boca Raton, Chicago, Dearborn, Miami, Naples, New York City, Orlando, Philadelphia, Tampa, and San Juan - Puerto Rico.

My current supervisor of 8 ½ years, Nina Stillman Mandel, will be happy to serve as a professional reference. You can contact her at (305) 374-7771.

For the last 8 years I've been active in the South Florida Recovery Community. In addition to service as a Sponsor/Mentor to individuals in recovery, I have been a member of Lambda-Miami Dade from 2010 to today and served on the Board of Directors in 2011 and 2012. The mission of Lambda-Miami Dade is to run a clubhouse for the purpose of running 12 Step Meetings and sober events for the LGBTQ community and its allies. I have also served in various capacities with the Florida Roundup – a conference which is attended by 800 to 1000 people which focus is on recovery. In 2013 I was on the program committee; 2015 was on the entertainment committee; in 2016 was the recording secretary; and in 2018 was the corresponding secretary.

Please comments on how you think your background qualifies you to serve on this board and what you may be able to contribute.

My work experience is an excellent primer to serve on either board because organization, meeting deadlines, working within specific parameters including legal ones, working with others, and staying cost conscience is essential in my field. We have clients to answer to and they want the work to be performed effectively, timely, and at a reasonable cost.

My service work has also been enhanced by my work experience because many of the tools I use professionally apply there as well.  I am an architectural designer with large urban experience in Philadelphia, New York City and Boston. With such firms I worked on planning a new downtown core for Seattle developed entertainment, educational and corporate facilities in a myriad of scales and locations. I have now run my own business for 20 years, specializing in residential and small-scale retail projects in the Northeast. I've served on local Conservation Commission

PLEASE COMMENT ON HOW YOU THINK YOUR BACKGROUND QUALIFIES YOU TO SERVE ON THIS BOARD AND WHAT YOU MAY BE ABLE TO CONTRIBUTE: (use additional page if necessary)
 I am very familiar with our current and proposed zoning regulations. I worked to foster and develop community understanding of the last major proposed zoning changes in 2017 and am a big believer in engaging local resident input in the future growth of our village. I know how to read plans, and project impacts in a two and three dimensional way and process that info for others to better understand its effects.

PLEASE GIVE A SUMMARY OF YOUR WORK AND CIVIC SERVICE EXPERIENCE:

Volunteer and leader in Cub Scouts and Boy Scouts, School MVP(PTA), school fundraising, school volunteer for all activities, EESAC, classroom parent, involved in planning and executing multiple youth events camping trips, carnivals, dances, field trips etc. Worked to keep PAL Summer in town budget.
Work for a medical practice in budgeting and accounts receivable.

PLEASE COMMENT ON HOW YOU THINK YOUR BACKGROUND QUALIFIES YOU TO SERVE ON THIS BOARD AND WHAT YOU MAY BE ABLE TO CONTRIBUTE: (use additional page if necessary)

I have experience working for a medical practice with multiple locations on their budget and accounts receivable. I am highly involved with the scouting program and serve as a leader planning and coordinating to meet the needs of our scouts from earning rank, fundraising, to planning events.
I am on the PTA(MVP) and EESAC at my sons school involved in all activities and fund raising. I organized PAL Summer Camp parents to come together and bring our concerns to the commission to keep the camp in the budget. I have attended village workshops and met with finance to discuss my concerns at a local level.

(All Board Members are required to disclose their Financial Interest annually. Additionally, at least four hours of Ethics Training are required for all Board members during their term of Office.) Planning & Zoning Board Members complete Form 1, Statement of Financial Interest and other Boards Members complete "Source of Income Statement". Agenda Item 15E

Jose Smith is a 58 year resident of Miami Beach. Jose graduated with honors in 1973 from the University of Florida College of Law. After gaining considerable trial and appellate experience in a downtown Miami civil litigation firm, he founded his own firm in 1983 in North Miami Beach.

Shortly thereafter, Jose became actively involved in city government, serving on the Miami Beach Tourist and Convention Center Expansion Authority (1986-1991), the Miami Beach Charter Review Board (1992-1993), the Community Development Advisory Committee (1994-1996) and the Planning Board (1996-1997). Jose was also a founding member of the Normandy Shores Homeowner's Association, establishing a special taxing district in 1994 to protect and preserve the beauty and security on this waterfront community where he is still a resident.

In 1997, Jose was elected to the Miami Beach City Commission where he served with distinction until 2005. He wrote and sponsored legislation involving land use, ethics and procurement reform. While a commissioner, Jose chaired the city's Finance Committee and led delegations to all 3 Wall Street rating firms. His presentations resulted in several upgrades to the city's bond ratings. He also worked closely with then City Attorney Murray Dubbin to protect the city's legal interests in pending litigation. He also testified before U. S. Congressional Committees and before State of Florida officials to help secure grants and funding for city projects. He served on the Metropolitan Planning Organization (MPO) where he dealt with county wide transportation issues. Perhaps his proudest legacy was working with his colleagues on the City Commission to make the city a world class destination dedicated to the arts, culture, great architecture and historic preservation. He led the original city delegation to Basel, Switzerland. Along with many other community leaders, Jose helped bring to the City Art Basel Miami Beach, the world's greatest art festival.

Jose was appointed Miami Beach City Attorney in 2006 by a unanimous vote of the City Commission. He served the city well, enhancing the prestige and reputation of the office. He has been recognized in the "South Florida Legal Guide", as one of "South Florida's Top Government Attorneys". He was featured in Florida Trend Magazine as a top government attorney in "Florida Legal Elite". Jose has published articles and is a frequent lecturer at South Florida universities. He often assists other cities draft or interpret legislation on issues of public importance. As a member of the Dade League of Cities Legal Advisory Committee he helped publish its "Elected Officials Handbook".

Jose was appointed North Miami Beach City Attorney by the City Commission on April 22, 2014. He spearheaded the drafting of legislation including charter reform, short term rental legislation, medical marijuana, and quality of life initiatives. He also provided legal support to the administration in drafting development agreements dealing with the water utility, sanitation and real estate projects.

Agenda Item 15E

The office always maintained an aggressive litigation philosophy to protect the City from frivolous claims. Personal injury settlements were significantly reduced. In addition, under his direction the legal department successfully represented the City in class action lawsuits, police excessive force cases, and personal injury cases. Jose also took over representation of the Community Redevelopment Agency. These measures have resulted in significant savings to the City of North Miami Beach.
